

## Contract finally okayed by city

By HENRY CANTIN

A three-year employment contract between the City of Romulus and Local 214 of the Teamsters, State, County and Municipal Workers has finally received the formal approval of the Romulus City Council.

The new contract, covering 40 to 50 city employees, was approved by the city council at a special meeting held Saturday.

The council's roll call vote for approval was unanimous, with Ellis T. Pennington out of town and not voting.

The union members ratified the contract at a meeting held last Friday night. It was the second time the employees have approved the contract.

An unfair labor charge filed against the city council by Local 214 with the Michigan Employee Relations Commission in Detroit now

will be dropped, it was announced.

Differences raised by some council members on finalizing the new contract's language and terms involving areas of working conditions and fringe benefits delayed council's final approval.

In an effort to solve these differences, the council at its March 28 meeting scheduled an executive meeting for last Thursday night. Only four

members of the seven-member council attended the Thursday session. They were Councilmen William M. Oakley, James C. Stewart, Fred Junior Block and Brooker R. Edwards. Councilmen absent were Council President Jimmie Raspberry, Councilmen Ellis T. Pennington and Edmund W. Bizek.

The meeting started at 7 p.m. and ended at 2 a.m. Friday morning, with the parties settling all differences.

A union spokesman reported the union membership had unanimously approved the new employment pact at its Friday meeting. The union stated the contract was agreeable and employees could live with it. Members issued a statement of thanks for the four councilmen who stayed at the meeting until all differences were settled.

The contract was previously agreed upon by the negotiators for both the city and local, with city employees voting 22-20 in approving the contract.

But, when the contract was being readied for city council's final approval 24 minor differences were raised by council members. Wages

hikes granted the employees were not involved. The apparent delay prompted a union meeting to consider taking a second strike vote. The first such vote ended in a 13 day strike against the city. The contract calls for a 15 per cent pay increase in the first year and six per cent increases in the second and third years. The pay raises in excess of those currently provided under the present guidelines of the U.S. Pay Board will require of its approval.

All city employees will now immediately receive a 5.5 per cent (or higher) pay boost.

The strike for a new contract started on Feb. 17 over non-economic issues, including previously obtained employment benefits which the city proposed to eliminate or reduce. A series of meetings between city and union officials apparently settled all issues, but last minute differences among council members on the contract's language and some of its terms delayed final approval.

The contract provides that the pay hikes be retroactive to Nov. 14, the start of Phase Two of the Presidential Wage and Price Freeze Program. Employees of the Department of Public Works will receive pay hikes ranging from 19 to 54 per cent, depending upon their classification.

The city's building inspectors will receive a pay increase of \$2,500 in the first year and 6.5 per cent hikes in the second and third years. They are currently receiving an annual salary of \$8,500.

## Action expected on gun law vote

By HENRY CANTIN

Romulus City Council is scheduled to take formal action this week on petitions calling for a referendum election of the city's newly-adopted Firearms Ordinance. Thirty-six petitions containing the names of 581 persons were filed by Romulus Councilman James C. Stewart, arch opponent of the new gun control law.

Romulus City Clerk Leonard J. Folmar has reported that more than a sufficient number of signatures required to request a referendum election have been certified and approved. Of the 581 signatures listed in the petitions, 487 were approved when checking with the city's voter registrations.

A total of 457 signatures was required.

The council will be presented with the results of the petitions' signature check this week.

Folmar reported the council can repeal the ordinance. If this is done, the referendum election is out or the council can submit the question at the next regularly scheduled election in the city, after next month's which is the August primary election.

Councilman Stewart stated the ordinance is not effective pending council's action.

The councilman reported many Romulus citizens and others are concerned about their rights being violated and are holding the firearms law is contrary to the first amendment of the U.S.

Constitution, granting citizens the right to bear arms in defense of self and property.

The new ordinance was the first firearms ordinance for the City of Romulus. It was adopted by the city council at a special meeting held on Jan. 27.

The roll call vote of the council was 5-1. Stewart voted no and Councilman Edmund W. Bizek was absent.

Stewart charged that this type of gun control, as approved by the council, is "like buying a new car and being told by the city council and the mayor (who is in favor of this ordinance) that you must park it in your garage and not drive it except to church on Sunday if you get a permit from the clerk."

## Romulus woman killed Sunday in plane crash

Funeral services will be held Friday at 9:30 a.m. at the Baum Funeral Home in Romulus for a Romulus woman who was killed in a plane crash Sunday.

Mrs. Marie Springer, 33, of 39224 Wade St., Romulus was killed when the plane she was piloting crashed in a cornfield at the intersection of Farman and Baseline roads near Stockbridge in Ingham County.

Mrs. Springer was piloting a Piper Cherokee 140 single-engine plane when she crashed. She was reported to be flying alone from Saginaw to Lansing when the crash occurred.

The Jackson Post of the State Police and the Federal Aviation Administration are investigating the crash. Police reported there was no fire or explosion, but the right wing was ripped off and the nose of the plane was damaged severely.

Mrs. Springer is survived by her husband, Richard; daughter, Celestine, and son Karl. Also surviving are her parents, Mr. and Mrs. Martin Drager of Freona, Texas; three sisters, Mrs. Martha Sercey of London, England,

Nethel of Colorado, Lena of Freona, Texas; and a brother, Martin, also of Freona.

A Requiem Mass will be

said at St. Aloysius Church at 10 a.m. and burial will be in Holy Sepulchre Cemetery in Southfield.

## Chamber drops program

A proposed "secret witness" program previously authorized by the Romulus-Metro International Airport Chamber of Commerce has been cancelled.

The secret witness program was brought up for review at the chamber's recent meeting. It was pointed out that two other identical programs currently are in effect in the City of Romulus.

DRESS REHEARSAL — A Rogers and Hammerstein musical review will be presented by the third through sixth grade students at Cory Elementary School in Romulus 7 p.m. Tuesday, April 28, in the school's multi-purpose room.

Some of the students participating in the musical review are shown in a dress rehearsal held at the Romulus Senior High School Auditorium last Tuesday evening.

## County bureau receives proposed tax reductions

A 10 per cent property tax reduction for owners of 700 Huron Township homes and 200 senior citizens residing in the township have been approved and submitted to the Wayne County Bureau of Taxation for its okay, George W. Moore, township supervisor, announced Monday.

Moore's announcement of the tax reduction for 1972 tax assessment was made following the annual meeting of the township electors, which was held at the township hall last Saturday.

Moore reported the 1972 tax factor is an increase of 11.6 per cent over the 1971 tax factor of 2.09. He termed the increase "excessive, unreasonable and not warranted by the township's valuation."

The 10 per cent tax assessment cut was initiated by Moore and approved by the township's Board of Review at

its recent annual sessions.

The property tax reduction will apply to homes in the township built since 1964 and not to homes built prior to this date, and to senior citizens having property valuation in excess of \$3,000.

A tax cut of \$400 to a home owner's assessment would mean a savings of \$46 in the 1972 tax.

The board of review has denied the same tax assessment cut to owners of homes built before 1964, Moore reported Monday.

The supervisor stated he initiated the tax assessment reduction program as township assessor and that the cuts approved for both the home owners and senior citizens will be upheld.

## Romulus will be site of Great Lakes confab

The Great Lakes Area Development Council will hold its 1973 conference in Romulus. The decision was made at a luncheon meeting in Ann Arbor, Wednesday, by members of the Board of Directors from Michigan.

The council promotes development in states in the Great Lakes Region, which includes Michigan, Indiana, Ohio, Illinois, Wisconsin, Iowa and Minnesota. An attendance of 200 leaders in the development field is expected.

The economic impact of the automobile industry and the development of the Detroit Metropolitan Airport will be among the presentations of interest.

Mickey Reel, prominent local real estate broker who is serving his fourth year on the board of directors, spearheaded the move to bring the conference to Romulus.

He assisted in completing

the contractual arrangements with the local Ramada Inn, where the conference will be held.

It will be the 21st annual conference of the group and the first one to be held in the Detroit area. Reel said he hoped it will present an opportunity to show some of the many attractions Romulus has to offer industry.

James McCartney, representing the Greater Detroit Chamber of

Commerce, is the vice president from Michigan and will serve as general chairman of the conference. McCartney also is a member of the Wayne County Board of Commissioners. He said the conference will be of the workshop type aimed at "How to Get The Job Done."

Ralph Stephenson, president of the organization expressed his delight with Romulus being chosen as the conference site.

## Skating permit okayed

A building permit to allow alterations at an ice skating rink in Romulus has been approved by the Romulus Building Department.

The Minor Hockey Arenas Inc., of 33712 Pawnee, Westland, requested the permit.

The rink is located on the west side of Inkster Road

between Ecorse and Wick roads. The estimated cost of the alterations was reported at \$35,000, Clayton V. Meldrum, chief building inspector, said.

The alterations include the installation of ice manufacturing equipment and accessories, and partitions to the ice equipment room.

## Huron budget OK'd at meet

### Electors raise officials' salaries, get fire commission

A proposed operating budget of \$325,000 for the fiscal year beginning April 1 was approved at Saturday's annual meeting of electors of Huron Township.

Approximately 75 to 80 township voters attended the four-hour meeting.

Supervisor George W. Moore, who presented the proposed budget, reported it is up 30 per cent over the 1971 operating budget of \$238,000.

Anticipated revenues for the current fiscal year were "conservatively" set at \$325,000, not including a surplus from last year of \$34,000.

In 1971 revenues were reported at \$290,000, along with a similar surplus of \$34,000.

The voters also recommended to their township officials a five per cent boost in salaries for Huron Township's elected officials, which was approved.

The motion to increase the salaries of all elected officials was made by former supervisor George

Angel. It was opposed by George Moore, who reported he was trying to reduce taxes.

Moore presently receives an annual salary of \$12,166 and an expense account of \$1,500. The township clerk receives \$9,108 annually, township treasurer, \$6,018 and township trustees, \$2,400 annually.

Angel's motion was approved at the meeting by the voters.

A fire commission also was established at the annual meeting. The proposed nine-member commission will have the responsibility of buying future fire equipment and overseeing future operations of the township fire department. Their initial project will be the purchase of a fire truck. The fire department's budget was increased to \$40,000 from \$20,000 in 1971 to permit fire department improvements.

The voters also approved an airport study involving both the Detroit-Metropolitan Airport and

the Willow Run Airport, based at Ypsilanti.

They approved an expenditure of \$5,000 toward the study, which includes \$1,700 to Moore, who previously had been denied this sum by the township board when he initiated the study some weeks back.

The airport study cost is to be shared by three other communities if their respective governments approve it. The study will involve air pollution, noise and future banking activities by aircraft.

The total cost of the study is reported to be about \$19,000. It was started by Howard Mull-Bell Associates of Connecticut, but discontinued by township board action. Moore reported that he will endeavor to get the firm to resume its study.

The voters also approved hiking the amount of legal fees to finance possible tax suits involving the Wayne County Drain Commission and other agencies.

## Belleville seniors to attend travelog

There will be no meeting of the Belleville Senior Citizens Club tomorrow (Thursday). Instead, members are invited to attend the Belleville Travelog on Germany at the Belleville High School Auditorium. Regular meetings will resume Thursday, April 13.

A new public address system has been purchased by the club for use by members at their meetings. Records for music and dancing also have been purchased.

The Spring Garage Sale will be held Thursday and Friday, April 27 and 28, at the Van Buren Township Fire Hall, located on Fourth Street.

## Romulus seeks bids for paving

The Romulus City Council has authorized the firm of Wade, Trim & Associates of Taylor, city engineers, to advertise for bids for the paving of Washington Street in Romulus.

The paving project involves 582 feet from Ronald Street south to the Wyndcliff Estates Subdivision.

Charles Helman of the engineering firm reported estimated construction cost for the road project is \$24,600.

across from the National Bank of Detroit in Belleville. Members interested in a tour of the Middle East with Rev. Robert McQuaid should get in touch with Club Director Dick Coffelt.

A new member joining the club is Nick DeFrancisco of 7080 Edward St., Belleville.

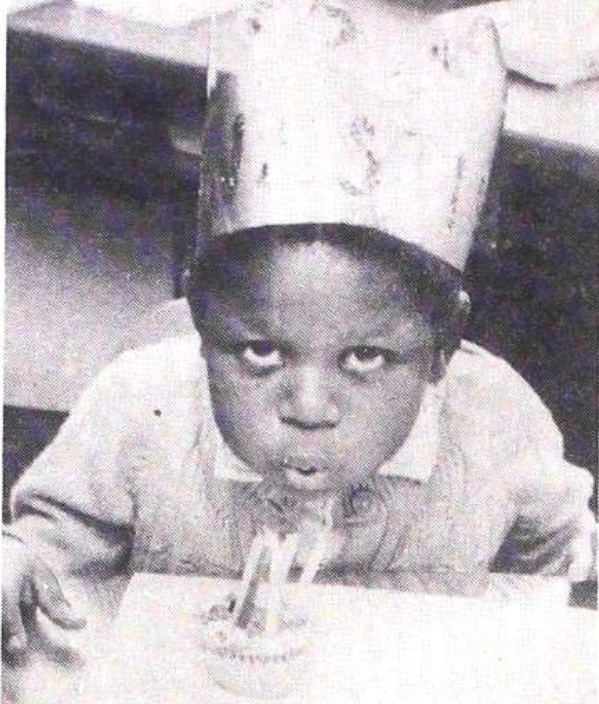

The following have April birthdays: Lucille Renton, Esther Deering, Hazel Webber, Marjorie Potter, Margaret Hope, Donna Belle Renton, Marian Douglas, Agnes Yorkinson, Mary LeBouef, Rhea Sobolewski, Cecelia Freeman, Clifford Smith, Ethel Pitcher, Charles Caineross, Alice Hightower, and Sybil Wilkinson.

The anniversaries are: Clifford and Mildred Smith, Charles and Mae Caineross and George and Velma Heard.

## Council okays plat plans

The final plat plans for Meadowdale Subdivision 2 and the Applewood Subdivision submitted by Kaufman and Broad, home builders, have been approved by the Romulus City Council.

The roll call vote of the council was 5-2. Councilmen James C. Stewart and Fred Junior Block voted against approving the plat plans.

**HIS FIFTH BIRTHDAY** — Ernestine Candy of Romulus not only enjoyed the Easter program at the Romulus Head Start center, held last Thursday, but celebrated his fifth birthday. We think the picture can speak for itself. Do you agree?

## VFW dedication is 'huge success'

The dedication ceremonies of the Ladies Auxiliary of Corporal Lawrence Post Post 5061 VFW of Sumpter Township turned out to be a

huge success, it was reported Monday.

The distinguished guests who attended the dedication, held at the Polish National Alliance Hall, were:

Department President Janet Cuperus and her husband, Ben; Past Fourth District President Alice Roche and her husband, Henry; Fourth District President Juliette Swarthout and her husband, John; Fourth District Commander Chet Doering and his wife, Jean; Past Fourth District Commander Larry Rebbhour and his wife, Miriam; and State Rep. Edward E. Mahalak (D-Romulus), who presented the auxiliary with a state flag.

The color guard from VFW Post 2222 and the color guard from VFW Post 5709 also attended.

The Ladies Auxiliary thanked the comrades and friends from other VFW Posts who helped make the dedication ceremony a great success.

The Primary and Junior Church members of the Romulus Calvary Baptist Church recently collected a total of 8,154 used postage stamps which they sent to the Women's Missionary and Prayer Fellowship, Shell Point Village, Fort Meyers, Fla. The following collected more than 1,000 stamps each during the drive: Joey Rose, 1,873; Vicki Jordan, 1,696; Theresa Borio, 1,618; Tracy Harrison, 1,170.

Miss Cecelia Ridge from near Philadelphia, Pa. is spending Easter and a few days visiting at the home of her mother, Mrs. Mildred Ridge, on Shook Road.

On Thursday, March 23, the children and grandchildren of Mr. and Mrs. Grant VanAernum gathered at their home on Romulus Avenue to celebrate Mr. VanAernum's birthday. About 25 relatives were present for dinner, including their eldest son and family, Mr. and Mrs. Keith VanAernum and two children of Port Washington, Wis.

Mr. and Mrs. Robert James McNutt of Taylor are the parents of a baby boy, James Elgin, born March 18. He weighed 7 pounds, 14 ounces. He is the brother of Michael McNutt, 6, and his paternal grandmother, Mrs. Dorothy McNutt, resides on Middlebelt Road.

Mrs. Mary Lou Fox and son, William, and Miss Pearl Morris of Huron River Drive South enjoyed Easter breakfast as guests of Mr. and Mrs. Virgil Varner and son, Darius, on Haggerty Road.

Last Sunday Mr. and Mrs. Grant Van Aernum of Romulus Avenue, Mr. and Mrs. Bill Krueger and sons of Romaine Street and Julius Szabo of Romulus Avenue were guests at the home of Mrs. VanAernum's niece and

husband, Mr. and Mrs. Maurice Tavernie of Leslie. The occasion was the celebration of the birthday of Mrs. Harry Jones of Leslie, a sister of Mrs. Van Aernum.

Mr. Carl Morris of Huron River Drive South, served as a member of the Reaction Panel at the March 23 annual conference for the Michigan Association of School Boards and School Administrators, held at Chrysler Center of the University of Michigan, Ann Arbor. The theme of this year's meet was "Critical Issues in Michigan Education."

Mr. and Mrs. David Dove of Bibbins Street last weekend enjoyed a trip to the Smokey Mountains with friends.

Spec. 4 and Mrs. Davie L. Svacha of Romulus are announcing the birth of their first child, a 7-pound, 14-ounce daughter born March 21 at Riverside Osteopathic Hospital in Trenton. She was named Deborah Lee. Mrs. Svacha, the former Marlene Kadau, is residing with her

parents, the Earl Kadaus of Ferndale Street, while her husband is on a 13-month tour of duty in Korea. He left the United States in January.

The George Dahlstrom family of Walnut Street spent the Easter holiday visiting relatives in Pennsylvania.

The congregation of the Calvary Baptist Church, Ozga Road, surprised its pastor,

Rev. Lonnie England, by holding a surprise birthday party in his honor on March 12. Plenty of good food and fellowship marked the occasion.

On Thursday, April 6, there will be a Wayne County 4-H Fairboard Meeting at 8 p.m. at the County 4-H Fairgrounds, Quirk Road, Belleville. Junior Leaders will meet at the fairgrounds on April 10 at 7:30 p.m.

## Songs come alive when Cory students perform

While it wasn't a cast of thousands, the Rogers and Hammerstein Review, presented by the fourth, fifth and sixth graders of Cory Elementary School in Romulus couldn't have played to a more appreciative audience had it been the stellar attraction on Broadway.

Proud parents, relatives and friends of Cory children turned out in record numbers last Tuesday to see and hear a production called Memories of Rogers and Hammerstein, arranged and produced by vocal music instructor, Mrs. Lois Munkachy.

An audience of more than

700 people heard selections from Oklahoma, South Pacific, Flower Drum Song, The King and I, and The Sound of Music that rivaled anything yet presented in the Romulus High School auditorium.

While the entire program was well rehearsed and polished, outstanding performances were given by Sarah Henningburg, who sang Bali Hai from South Pacific; Crystal Dalton, Rocky Staton, Eugene Walker and Brent Page, who played roles from Flower Drum Song; and Susan Murray, Kurt Waiter and Robert Straight, who were principals in The King and I.

Heading the cast of Sound of Music were Nell Walker, Katherine Brown, Rhonda Tugman, Nancy Newiarowicz, Shirley Thomas, Edna Badia,

Kevin Moore and James Crook.

Featured in Oklahoma was a fringed sash that had been constructed by Mrs. Cheryl Huff's art students. Neil Walker handled stage direction and the narration was well done by Cindy Haverabeck.

Before curtain musical selections were performed by the instrumental students led by Gideon Pettway. Special recognition was given to parents for providing the colorful costumes; School Principal James Madigan, Mrs. Mary Eaton for help with the programs; Mrs. Gerald Staffeld assistance with staging and to Bill Cuhnan and Bonnie Miantkiewicz for choreography.

Following the performance, Mrs. Munkachy was presented a corsage from the staff and PTA of Cory school.

## Romulus man dies in crash

A traffic accident on Van Born Road in Romulus took the life of a Romulus man early Thursday morning.

Wayne County Sheriff's deputies said Morris Logan, 56, of 6243 Irma, was killed when his car collided with an auto driven by Clytee Walls 49, of 30339 Hanover, Westland.

Deputies said the accident occurred at about 1 a.m. as Logan drove west on Van Born near Henry Ruff Road.

Walls said he was also on west-bound Van Born, driving

home from work at about 40 miles an hour, when he looked in his rear view mirror and saw Logan's car approaching his at a high rate of speed.

Walls told deputies that Logan's car then struck his in the rear, and the impact was so great that it spun his vehicle around three times before it came to a halt.

Logan was dead on arrival at Wayne County General Hospital at about 1:20 a.m., and Walls was treated for his injuries and released. Police took no enforcement action in the case.

## Belvil Hospital has new volunteers

## Gun vote

(Continued from Page 1)

"I am not opposed to a partial hunting ban in the city where the population is greater than areas that are still suitable for hunting. This decision would have to be made by the state upon recommendation of the city council," Stewart said.

"I am totally opposed to any type of gun control bills that are in violation of my rights under state and federal constitutions."

## Jaycees nominate Romulus for award

The Romulus Jaycees have nominated the City of Romulus for the Gerald K. Wyman Award.

The Gerald K. Wyman Award is given for the most outstanding program for older people. The Jaycees felt sure the Senior Citizens Club of Romulus was a fine example of programming for older citizens.

Upon receiving the proper forms, the Jaycees contacted Mayor Hyle J. Carmichael and senior citizens club president: Eddie Wallace.

Through the help of these parties, sufficient data was gathered to forward the nomination to the Michigan Commission on Aging.

In order to further document their nomination, the Jaycees and the senior citizens club developed a petition for senior signatures. It too was included in mailing of the nomination.

The Jaycees indicated they had no doubt the project was worthy of the award and were most anxious to hear the results of the judging, to take place April 20 in Lansing.

## Three STRESS officers bound over for trial

By KEVIN FOLEY

Daily Eagle Staff Writer

Detroit Recorder's Court Judge John R. Murphy yesterday ordered three Detroit police officers to be bound over for trial on a charge of assault with intent to commit murder.

The three officers who were assigned to the STRESS unit on the morning of March 9—Virgil Starkey, Ronald Martin and James Harris—are accused of the near-fatal shooting of Wayne County Sheriff's Deputy James Jenkins. Jenkins, who is still in critical condition at Detroit General Hospital, was shot in the head during a gun fight with the officers at the apartment of Deputy Aaron Vincent, 3210 Rochester St., on Detroit's west side.

Deputy Henry Henderson was killed in the incident, and Deputy Henry "Hymie" Duvall, was wounded in the leg. No one has been charged in connection with those two shootings. The decision by Judge Murphy to bind the officers over for trial ended four days of testimony and a parade of defense and prosecution witnesses during the examination.

Yesterday, defense attorneys, Norman Lippett, counsel for the Detroit Police Officer's Association, who represented Starkey and Martin, and George Lee, who represented Harris, produced a string of rebuttal witnesses in an attempt to impeach the testimony of Duvall, who was on the stand last Wednesday and Thursday.

Four Detroit police officers, including an inspector, and one investigator for the sheriff's, testified that they had heard Duvall make different statements while hospitalized at Detroit General than what he had told the court.

Homicide Bureau Detective Sgt. Michael Babluk said that he had talked with Duvall while both Lt. Jordan Booth and Sgt. Raymond McGee of the sheriff's department were in the same room at the hospital. McGee headed the investigation for the sheriff's and Booth, director of the metro squad, is the uncle of Jenkins.

Babluk said that Duvall related that he had seen a hand and gun come through the open door and fire at Jenkins and that he then saw Jenkins draw his gun and return fire.

## Romulus Easter egg hunt success

The Romulus Community Workers' second annual Easter egg hunt held at the Romulus Senior High School Football Field was a success, Miss Winnie Hill, chairman of the Romulus Community Workers, reported Monday.

The Easter egg hunt program chairman, Miss Brenda Clark, and the Romulus Community Workers issued a "thank you" to residents of Romulus for their cooperation too, the Romulus school officials for the use of the school grounds, the Romulus Recreation Department for their donations and support and to those parents who also donated help in the Easter egg hunt.

## Building authority to hire architect

The Romulus City Council has authorized the Romulus Building Authority to spend about \$7,400 of its funds to engage an architect to initiate plans for the construction of a proposed new site for the 34th District Court.

Representatives from the Romulus Building Authority and Judge James E. Stone presented the request at the March 28 session of the city council.

The architect will determine building needs and costs and

will make firm plans for the construction of the new court building, slated for an area in the Romulus Municipal Center, located at S. Wayne and Goddard roads.

The 34th District Court is presently housed in a renovated school building, the Old Hale Elementary School, located at 30240 Eureka Rd., Romulus.

The court's jurisdiction embraces the communities of Belleville, Romulus, and the townships of Huron, Sumpter and Van Buren.

## Liquor license gets no board objection

The Romulus Board of Education has announced it has no objections to the granting of a Class C liquor license to the Shady Hollow Golf Club, 34777 Smith Rd., Romulus.

The Golf Club, owned by Alexander Dul of 23221 Bonair St., Dearborn Heights, recently received the approval of the Romulus City Council on its request for the liquor license.

The school board directed that a communication stating it has no objections in granting the club a license be forwarded to the Michigan Department of Commerce,

which operates the Michigan Liquor Control Commission.

School Superintendent Robert L. McConeghy reported to the board that a state ruling requires licensed liquor establishments be a minimum of 500 feet from a school building, according to the state method of measuring.

The board has taken the matter under advisement at a previous board session.

Last week, the school board stated it had no objections since the golf club is a practical distance removed from the high school and offers no additional traffic in the school area.

## Service awards programs planned

The Romulus Jaycees are planning to honor community service through their Distinguished Service Awards Program.

It is the Jaycees' hope that an unselfish act of community service will not go unrecognized or unrewarded.

The Jaycees already have contacted the different area service clubs to get their nominations for awards.

It also is the hope of the Jaycees that nominations from the service clubs and from the community at large will find the best candidates from which to choose.

All applicants will be judged on their activities in trying to make Romulus a better place to live.

The deadline for entries is May 6. Any person wishing to nominate a candidate for a Distinguished Service Award should contact Tom Von Glahn, 9455 Terry, Romulus, 48174 or call 941-4320 for further information.

Upon notification of a desire to submit a candidate, the Jaycees will furnish the necessary questionnaire.

## Van Buren schools need extra millage

An important proposition involving the lives of the elementary and high school students in the Van Buren Public School District is before the school district's electorate next Wednesday.

On April 12, a special school election will be held. The voters will voice by way of the ballot their opinions on a \$10 million school building bond proposal for the construction of "urgently needed" classrooms and other structural educational facilities and school sites.

The voters' decision will in great measure affect making available these required school buildings and related facilities.

The bond proposal, if approved by the voters, will provide funds to finance the construction of three

elementary schools, one junior high school, expand the "inadequate" high school library, improve the Vocational Trade Center and acquire additional school sites.

The ever increasing student enrollment—at least an annual increase of 500 students, according to reports—in a school district where classrooms are already overcrowded and where school building funds are lacking prompted school authorities to present the bond proposal at this time.

Approval of the proposal is urged by citizens bond election committee composed of prominent residents and school supervisory personnel and many PTA groups.

A look into the pros and cons of the school district's need for

additional classrooms prompts us to join those who are urging affirmative action of the proposed bond proposal next Wednesday.

Approval of the new bond proposal will mean an increase of 2.85 mills to the present debt retirement levy of 2.85 mills or a total of 5.70 mills (\$5.70) for each \$1,000 of state equalized assessed property valuation.

No one wants to pay more taxes. The apparent trend in the United States is to oppose proposed tax boosts and in some instances to oppose regardless of need.

In Van Buren Public School District, the real matter before the voters is the present and future education of children and continuance of quality education.

## Retirement at 70 proposal praised

Among the many state constitutional amendment proposals floating around the Legislature is one sponsored by Sen. William Faust, D-Westland, that would prohibit anyone over 70 years old from holding public office, elective or appointive. The measure would cover everyone from state legislators to local officials.

Faust's proposal is not expected to get much attention in a year when constitutional amendments of all kinds are stacking up in the hoppers, and also, perhaps, because there are enough older lawmakers around who are not likely to be sympathetic to the idea.

We believe the idea has, nevertheless, considerable merit. Faust notes, for example, that the 70-year-old limit applies to Michigan court candidates, and contends that those who make the law should be required to meet the same qualifications as those who administer it. Furthermore, the general trend in business and industry as well

as other areas of employment (such as education) has for a long time been moving toward younger retirement levels in the ranges of 60 to 65.

Government retirement levels tend to be well above that figure. Nowhere is that more evident than in the U.S. Congress, where the seniority system has become so entrenched that it sometimes makes a mockery out of the legislative branch.

Faust's proposal does not suggest that outstanding public officials would be relegated to oblivion after age 70. Certainly there is plenty of room for their services in an advisory capacity after retirement—as has been demonstrated many times in the past.

The senator's proposal, as we noted, may not get far this time around. But it's a start toward a goal which we hope ultimately will be achieved.

## Van Buren resident disturbed with more school taxes

To the editor:

Once again it is election time. The Belleville Citizen's committee has presented us with reasons and facts for us to approve dire educational needs as seen by the board.

Again it is more kids, not the needs of the kids of the established community, but the influx of new people filling the apartments and the trailer courts, because Belleville is a delightful place to live, or the developers have considerable freedom in this township.

Again, the "enrichment" portion of the curriculum is in jeopardy, just as it was in the last plea for millage.

It seems to me that value education is always equated with music, art, athletics and more buildings. It would seem that education which develops the mental capacities, intelligent habits of inquiry, learning that relates the past to the present, that contributes to the art of living and individual growth, is secondary in importance and such value education is lacking if our activities program are neglected.

Our nation developed and prospered from a system that emphasized academic disciplines and homework to reinforce these efforts. The most had to be made of the short school year. Our nation has come a long way in 200 years. What in the school curriculum really constitutes value education?

Once again the moderate cost of these bonds has been presented on a monthly basis to look inexpensive. Taking \$16,000 of the state equalized evaluation as an average of the Fact Folder, we have an added tax of \$48 dollars per year.

Upon reviewing my tax statements since 1966, SEE has raised approximately \$1,500 each year to double my 1966

assessment on a 20-year-old home. Fact-wise an assessment of \$10,000 has raised to \$20,000 SEE.

For these years the average school tax increase was \$50 per year. Now the citizens committee is hopefully anticipating the tax base will go up with new businesses and homes (all I see are apartments) to cover operating costs of the new schools.

I guess this means SEE will go up too. 1974 will be another six-year span. If this has happened in six years, what price will home owners be paying to enter the new school buildings. The committee pointed out in 1968 a lack of operating funds was also a problem.

The appraisal of the double sessions does present some inconvenience compared to the comfortable equilibrium of an on-going status quo. A bright spot in the situation is no over-crowding, a high priority in any teaching environment.

However, I really don't understand why music and art have to "go". Music and art now float from room to room at some designated time of the week. Concerned parents have always ferried the kids to their extra-curricular activities. Somehow I feel an implication in the fact finding sheets that I'm not willing to cope with these irregularities, so I should buy more schools to avoid this. Really no emphasis on a lack of value education.

Double sessions remind me of starting out in life, building the home, raising the family with the home and holding two jobs. It seems that we have a parallel in our schools; what is of value?

Since the events of the first space shots, our nation has exploded with new technologies that have cast a shadow on

### Lansing report

## Behind every campaign, there's...

By DON HOENSHELL, Daily Eagle Lansing Bureau

ORLANDO — Somewhere a violin is playing and maidens of sensational personality are waiting to run their fingers through the hair of the likes of Pete Teeley and Andy Flinterman.

They die each day and are afflicted with blueness of the face from holding their breath.

Pete and Andy spent time in Florida as advance men setting up Senator Robert P. Griffin's four-day tour of nine cities, rallying as many Michigan people as possible.

They fended and they coped and arranged and recouped and cajoled and spent largely of their souls until the fact that they survived is almost incidental.

The idea itself was crazy to Michigan politics—a statewide candidate campaigning in Florida. Griffin wonders why no one thought of it before.

So without a backup force of beholden local Republicans, without more than a foggy idea of where to go and whom to see, they came to Florida where the sun is hot and the martinis are dry.

They had 10 days and a sheaf of telephone

numbers to get ready for the equivalent of a presidential primary swing for Griffin, a perfectionist. They rowed a boat up Niagara Falls.

Pete took over the St. Petersburg office of Florida Congressman C.W. Young and rented a small car which, at 60 miles an hour, sounded like it was mixing concrete.

They worked 18-hour days, touring the route, reconfirming arrangements at each stop and making innumerable telephone calls ahead to make sure everything was still hatched.

There was a moment on the eve of the tour when Pete and Andy almost called it off. It looked like the audiences could be crowded into a telephone booth, that with the hotels jammed, Griffin might have to sleep under a palm.

Magically, everything worked. Newspaper and television folks showed up at news conferences, most of the nine stops had wall-to-wall people and Griffin had to be happy at the result.

There was Clearwater, Palmetto, Sarasota, Lakeland, Fort Myers, Zephyrhills, Naples, St.

Petersburg and Orlando one after the other—the blur of faces, the handshaking, the terror of which would happen next.

Stephen Nesbitt, former Gerber Products executive at Fremont, the statewide coordinator for Griffin's trip, became ill. The Orlando coordinator was in a boating accident and in shock.

Pete, 32, who worked in an advertising shop in Detroit before going with Mrs. Lenore Romney's U.S. Senate campaign in 1970, and Andy, from Grosse Pointe, who came back from a school in Switzerland to join Pete, are worriers.

They pace and they arrange, they schedule and they convince, and then they pray a lot to whatever patron saint they can get to listen. They distribute literature and buttons, load and unload car trunks and argue with reservations clerks.

No candidate is ever really satisfied with the work done for him. His world is one of large cheering audiences and flashing cameras. Pete and Andy had put it all together.

They went into a strange state and, from desperation, made it work.

## Standing in wrong license line is no fun

To the editor:

Now don't get me wrong, I'm not against standing in line. It's getting to be part of the "American Way," especially if you wait until March 28 to buy your license plates. But—how many people stood in line at Romulus to buy their license plates only to be told when they arrived at the window that they were in the wrong line!

Seems as though they have two lines. One line you go through and have your papers checked for errors, etc., and another to purchase your plates. It would have worked out well if they had a sign of some kind posted to let us, the average citizen, know their plans and what they expected from us.

I must say after I viewed my opinion, the ladies did try to make sure that people were in the right lines by verbally stating which line they should be in.

All that was needed was a sign.

Let us learn from this for next year.

Question: My motorcycle is a 1949 Harley-Davidson. Does my bike have to have a front and rear brake or is the rear brake all that is required by law, or does the law require a certain year (say from 1966) for motorcycles to have both front and rear wheel brakes? P.B. Saginaw

Answer: According to the Michigan Vehicle Code and related law concerning the ownership and use of vehicles on the streets and highways, compiled under the supervision of the Secretary of State, page 151, number 257.705, Brakes (MSA 9.2405), Section 705, Paragraph 2, Act 134, PA 1969 (6-1-70) the answer is "Yep" you sure do need brakes on both front and rear, no matter what year your motorcycle is. P.S. Where did you ever find a 1949 Harley?

Question: If a youngster subject to epileptic seizures has been free of seizures for nine months, can he take a driver education course and be licensed? J.L. Bay City

Answer: The criteria for licensing a person who has epileptic seizures is that he or she must have been seizure free for at least one year. Based on what you indicated, he would not be eligible for either the driver education program or for licensing until he has remained seizure free for another three months. Better check it out real good!

Question: I read that the Michigan legislature passed a law that we can't drink more than 10 percent alcohol. What have we got "Creeping prohibition"? S.D.O., Cadillac

Answer: What the legislature really passed was a more realistic law about drunk driving. It lowered the legal designation of "driving under the influence" to a blood alcohol percentage of one tenth of one percent. Most states have this level now. Canada has .08 per cent. This scientifically tested level does not indicate the borders of sobriety. It shows when you have for sure given the keys to Ethyl (alcohol.) You can be in trouble on less.

The U.S. Department of Transportation has designated this condition as the most significant basic cause of traffic deaths. For this we can all concede a little something.

ADD TO THEIR TROPHY COLLECTIONS — The Bonanni sisters of Belleville continue their winning performances with their accordians. They won seven trophies at the recent Michigan Accordion Association contest. The sisters are

(from left) Sharon, 15, Linda, 11, and Diane, 14. They are the daughters of Mr. and Mrs. Fred Bonanni of 204165 Wilmet Rd., Belleville.

## Belleville's Bonanni sisters leave contest with trophies

After long hours of practice, the Bonanni sisters of Belleville won seven new trophies to add to their growing collection.

The girls participated in the annual Michigan Accordion Association contest held March 18-19 at Cherry Hill High School in Inkster.

The sisters, Sharon, 15, Diane, 14, and Linda, 11, are the daughters of Mr. and Mrs. Fred Bonanni of 204165 Wilmet Rd., Belleville.

Sharon won a second place trophy in the 15-year-old Championship Solo Division playing "Chopin Concerto" arranged by M. Bisilia.

Diane won a third place trophy in the 14-year-old Championship Solo Division playing "variations" (On a Original Theme) by E. Harris. Diane also received a gold medal in the Senior Original Division playing "Variations."

Linda won a first place trophy in the Junior Original Solo Division playing "Accordian Miniatures" by E. Ettore. She also won a third place trophy in the 11-year-old Championship Solo Division playing "Accordian Miniatures." Entering the Junior Polka

Division, Linda won a third place trophy playing "Flirtation Polka" by P. Gaviani.

Sharon and Diane also won first place in the Senior Duet Division playing "Rondo Al 'Ongharese' by Haydn.

Linda is a member of the Modern Intermediate Septet and Modern Symphonette Band, both groups winning first place trophies in their respective categories.

Sharon and Diane are members of the Modern Accordion Symphony Band, which received the first place

trophy in the Open Band Competition.

The awards were presented the second day of the contest, with the Michigan State Championship play-offs being held at that time.

Sharon is a sophomore at Belleville High School and will be the featured soloist at this year's Belleville High School Spring Band Concert. She also is the only accordionist in the New Belvil Jazz Group. Diane is in the ninth grade at South Junior High and Linda is a fifth grader at Elwell Elementary School.

The girls take lessons at the Modern Accordion Studio in Dearborn. They will participate in the annual Bandorama presented by the Modern Accordion Studios and held at the Henry Ford Auditorium in May.

## Voter registrations up by 500 in Van Buren

Van Buren Township's voter registrations have increased by more than 500 since Jan. 1 of this year, Mrs. Erma Jean Payne, township clerk, reported.

The voter registry as of March 27 stands at 5,376 persons, compared to 4,777 persons in January. The current total of registrations tops the previous record of 5,131 persons who were registered in 1970, Mrs. Payne said.

The reported registration hike does not include 707 persons whose names were purged from the voter registry for not voting during the last two years.

A recent Michigan Supreme Court ruling requires the clerk

to reinstate the 707 voters back on the registration books. Mrs. Payne reported Monday her office is trying to trace these voters.

A recent Michigan Supreme Court ruling requires the clerk to reinstate the 707 voters back on the registration books. Mrs. Payne reported Monday her office is trying to trace these voters.

She stated that many reinstatement cards have been returned by the post office as being undeliverable.

The additional voter registration are the result of recent registration drives in the township by her office and school officials, who directed "Get Out the Vote" drives for the April 12 School Bond Election.

The deadline for voting in the May 16 presidential primary election is April 14, Mrs. Payne announced. The clerk's office will remain open until 8 p.m. on deadline day. Due to the township's

population increase to 13,162, the township board has approved increasing the township's voting precincts from four to six. The increase is to be accomplished, Mrs. Payne said, by splitting up current precincts.

The new precinct set up will not be announced until after the May 16 presidential primary election. A public announcement will be made on the proposed precinct changes.

Current voter registration by precincts compared with January totals (in parenthesis) is as follows: Precinct One, 1476 (1,391), precinct two, 1,532 (1,254), precinct three, 805 (762), and precinct four, 1,563 (1,370).

Precincts one and four are located at Van Buren Township Fire Hall No. 1, located on Fourth Street, west of Main Street, and precincts two and three are at the township hall, 46425 Tuler Rd.

## Seniors hold bake sale

A bake sale was held by the Romulus Senior Citizens in the Community Room at Romulus City Hall on March 28. A variety of cakes and breads contributed by the senior citizens were sold to the public from 11 a.m. to 3 p.m.

The Romulus Senior Citizens Club nominated Mrs. Catherine Pritula of Romulus as the club's choice for the Romulus Jaycee-sponsored Community Service Award.

Direct inquiries about the senior citizens programs or Community Service Award Program should be directed to the Romulus Department of Parks and Recreation, Romulus Municipal Building, 11111 S. Wayne Rd.

## Van Buren schoolmen act on student requests

A series of requests made by the high school student council were considered and formally acted upon by the Van Buren Board of Education Monday night.

The requests concern writing class excuses, smoking, holding a rock concert and having 18 year-olds serve on the school board.

The school board approved some of the student's requests and ruled against others.

A request that all seniors be exempted from taking final second semester examinations was referred to the school district's Professional Study Committee for its recommendation. Presently seniors with a B average or higher do not have to take such examinations.

A request that 18 year-old students be treated as adults

received the immediate approval of the school board, and a request that such students be permitted to write their own re-entry slips (excuses when absent or late for classes) also was approved.

But, a request to send report cards directly to the 18 year-olds was rejected at this time since it is a matter of data processing. Report cards are presently addressed to the parents of the students, and it would be expensive to make a change now, it was stated.

The school board announced it was not a matter of the local school board to rule on the council's request to permit 18 year-olds to serve on the school board. The board stated all the students have to do is to file petitions.

A request to hold a young people's rock concert on the high school football on an afternoon (date to be scheduled) was approved.

On the smoking question, the board approved letting 18 year-old students smoke at a designated outside location, but not in the school building. The student council

requested permission to smoke in the school, but in a designated area, and to permit smoking at the end of the fourth hour in the girls and boys bathrooms. The board vetoed it.

A request for a student lounge was rejected by the board, because of a "lack of room" in the high school.

## Campfire girls see flowers

Mrs. Ann McLean, Campfire Blue Bird leader, recently took her group of girls to visit the Joseph L. Bakhaus Greenhouse on Pennsylvania Road in Romulus.

The girls enjoyed seeing how flowers are grown from the first planting to maturity and blooming. They also were shown slides of various flowers and plants.

Campfire girls participating in the outing were: Jaimee Brown, Mallisa Corliss, Karen Kosman, Debbie Hamlin, Lisa Hughes, Debbie Jacobs, Laura McLean, Amy Poulin, Lynda Saenz, Tanya Vega, Lisa Wilson and Carolyn Stewart.

# TO THE PARENTS WHO THINK WE'RE KIDDING ABOUT CONDITIONS

She's just a kid, granted. Still she's old enough to notice overcrowded rooms and one teacher covering more than his share of responsibilities.

She's just a kid...at the peak of her curiosity and natural talent. She has the right to the best possible facilities and equipment to aid in her development.

This is what teachers want for her...enough to devote our lives to the classroom, enough to want and to seek better facilities for her.

Listen to your child. She needs your help. Provide the facilities and equipment.

## What's new on market?

### Saw guide, disguised burglar alarm

**THE PRODUCT** — A saw guide for use with hand-held power saws.

Manufacturer's claim— That, instead of attempting to cut along an unguided pencil line, the guide enables the user to make a straight, perfect cut every time ... that the guide is mounted easily and securely by a cam action lock regardless of the thickness of the board ... that it won't mar or mark the wood ... that, on boards up to 10 inches wide, a 90-degree cut is provided ... that, on boards up to 6 inches wide, the guide gives an accurate 45-degree

cut on either side of the crosscut (90-degree) setting ... that each of the three settings remains locked until released by hand ... that the guide works equally well with a circular or sabre-type saw ... and that its rugged design assures durability.

**THE PRODUCT** — An ultrasonic burglar alarm disguised as a book.

Manufacturer's claim— That the unit uses high frequency sound waves to detect intruders and scare them away with a loud siren ... that the solidstate electronic

system is concealed in what appears to be a leather-bound dictionary ... that the replica book is trimmed and lettered in gold and fits inconspicuously into any bookshelf ... that the alarm is ready for action when plugged into a 110-volt electrical outlet, with a room lamp then plugged into the outlet at the back of the alarm ... that any movement in the coneshaped 300-square-foot area covered by the sound waves automatically activates the room light ... that, 15 seconds later, a siren wails ... that the 15-second delay permits the homemaker the option of

using the book alarm for convenient lighting when entering a darkened area, since there is time to switch off the siren before it is activated ... and that the dummy book weighs only five pounds and thus can be carried during travel for motel or hotel room protection.

**THE PRODUCT** — Sculptured three-dimensional brick for decorating indoor walls. Manufacturer's claim— That the brick can be put up with self-sticking tabs and thus can be removed later if necessary without damaging the walls ... that a special interlocking construction makes installation simple ... that each brick package contains a tube of mortar line that achieves a realistic mortar look ... that the brick comes in four colors ... and, to permit a do-it-yourselfer to complete an entire wall, there are both left and righthand outside corner bricks.

**THE PRODUCT** — A spark plug repair kit to save the cylinder heads in chain saws, outboard motors and other gasoline-powered equipment. Manufacturer's claim— That the kit contains self-tapping, self-threading inserts which make possible easy repair of stripped threads in spark plug ports ... that only two installation steps—drilling of hole and placement of insert—are necessary ... that the self-tapping inserts can be installed in cast iron, aluminum and magnesium cylinder heads ... and that each kit contains an instruction booklet.

(For advice on how to handle 35 home repair problems, send \$1 to this newspaper in care of Box 5, Teaneck, N.J. 07666, for a copy of Andy Lang's handbook, "Practical Home Repairs.")

(The saw guide is manufactured by Chapco, Inc., Denlar St., Chester, Conn.; the burglar alarm by the 3M Co., Box 33686, St. Paul, Minn., 55101; the decorator brick by Metalco Industries, 258 Herricks Road, Mineola, N.Y., 11501; and the spark plug repair kit by Groovpin Corp., 1125 Hendricks Causeway, Ridgefield, N.J., 07657.)

### Super handyman

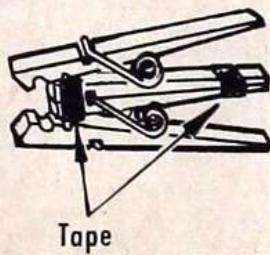

### Make big-mouth clothespins

By AL CARRELL

Dear Al:

Most of us use those spring-type clothespins as small clamps in our workshops. Many times the jaws won't open quite wide enough for a particular use. I have devised a big-mouthed clothespin by putting two of them together. First, cut off one jaw of each pin about a half inch from the tip. Put these two short sides against each other and join them with thin tape at both the top and the bottom. Now the jaws will open about twice as

Tape

wide. Even greater bite can be attained by putting a spacer between the pins before taping.

K.P.

Dear Al:

Since the appliance parts center is not open on weekends and is usually closed by the time I get home at night, I had to send my wife for the parts needed to get our central heater working again. Rather than make a list of what was needed, I took the specifications manual and drew a circle around the pictures of them. That way there was no chance of her getting the wrong part from a lack of knowledge or from a bad description. We got the right parts, and we are warm again.

P.T.

Even if you don't send your wife out for parts, this is an idea that will make it easier for that new man at the parts place to get the right one.

A super hint - Here is a trick to keep in mind when opening a new tube of glue or other compound when your work calls for only a thin film of the stuff. Instead of puncturing the tip with a nail, split it with a razor blade. This will allow you the squeeze out a thin ribbon. If you need more later on, the slit can be enlarged by puncturing.

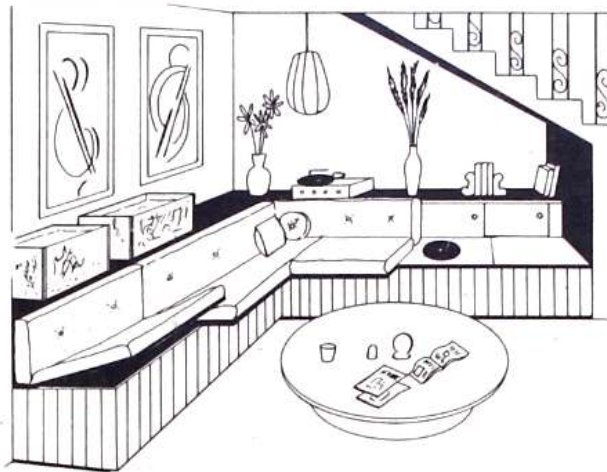

Dear Al:

If you have ever had to run wire through a pipe or conduit, you will know that it is quite easy if you have a string attached to pull the wire through. However, getting the string through can give most home handymen a few gray hairs. My method for getting the string through has been a help to me. I use a vacuum cleaner to suck the string through. With the nozzle around the pipe, you can cup your hands around to have all the air sucked through the pipe. This will bring the string through even over a long pipe and around bends.

### Built-in cushioned carpeting

Many of the season's most attractive carpets come with their own built-in cushioning as well as built-in economy. Originally designed for outdoor areas such as pool or patio, "one-piece" carpeting soon found its way indoors. The kitchen, the family room and other areas where durable, inexpensive carpeting could be non-professionally installed became natural places.

**BUILT-INS SPARK CORNER**—A banquette with cushioned fold-up seats transforms idle corner into a pleasant leisure area combined with storage. The shelf and small cabinets recessed in wall under stairway hold record changer and entertainment equipment. The banquette is framed of 2x4-inch fir or pine, faced with wood board paneling.

### Bathroom finally brought up-to-date

At last, they are designing bathrooms for the modern American. Believe it or not, until very recently sinks were installed at the same height as 100 years ago, although we are several inches taller than our great grandfathers. Now, designers and manufacturers have combined their crafts to produce beautiful fixtures better suited to our bigger size.

If you are installing new bathrooms, or remodeling an old one, approach this decorating job as you would any other room in your home. One excellent way to start is to choose first a floor covering and use its colors for your color scheme. The Better Floors Council suggests a vinyl asbestos tile floor in bathrooms because it is steam and moisture-resistant and very easy to wipe clean. It is also available in every color and in a wide range of patterns.

Just about any color scheme is acceptable in a bathroom, but decorators recommend coordinating with adjacent rooms, thus giving the illusion of great space.

If you already have white fixtures, your choice of color is wide. But work with care around colored basins, tubs and bowls. Since the area is small, don't use too many colors. Perhaps two colors for fixtures, floor and walls and one bright accent color in towels, rugs, curtains, etc.

### Innovations in flooring offer cushioned comfort

Every so often, it's interesting to look at some of the household items we take for granted, just to see how far they've come. Resilient flooring, for example, has been a standard fixture in American homes for generations. But visit a modern flooring store sometime, and you'll be amazed at all the innovations on display.

Today's resilient products go far beyond the traditional linoleum. There are self-adhering vinyl tiles, with the adhesive already on the back, that you install yourself right over the old floor. For women who hate to wax, there are even materials designed to keep a bright shine with only occasional damp mopping. But suppose you're looking for real luxury—something that's easy on the feet as well as the eyes. Then cushioning is for you. These new vinyl floors incorporate a thick layer of resilient foam, just below the wear surface, which reduces

noise and provides some of the comfort features of carpet. Yet unlike carpet, food spills and tracked in dirt can't penetrate the material and hide beneath the surface.

Contrary to some beliefs, cushioned flooring is not an expensive item found only in upper-income homes. One manufacturer, Armstrong, has recently introduced a new cushioned vinyl called "Bright Step" that falls into the middle price range. Available in a choice of handsome styles, the new flooring is backed with a thick layer of vinyl foam that cushions and quiets every footstep. It can be installed at any grade level—even directly over old flooring. And best of all, it's priced within reach of almost every family budget.

Selecting a resilient floor is certainly more enjoyable with today's wide range of possibilities. Whether you're looking for cushioned comfort, easy maintenance, or do-it-yourself economy, the floor of your dreams is here.

# Local science projects win six students awards

Several local students recently won awards in the Suburban Science and Engineering Fair conducted by the Engineering Society of Detroit and a Detroit newspaper.

The list of Wayne County regional winners, their instructors and their subjects

included the following students:

Gary J. Barton of Romulus, a Romulus Senior High School student, Robert C. Brock, instructor.

Barton's subject was entitled "Artificial Gill; Self Produced Oxygen for Underwater Breathing."

## Nan Meyer named area PTA prexy

Mrs. Nan Meyer, from the Hayti Elementary School area, was elected president of the Romulus Area PTA Council at its meeting held Tuesday at the Romulus Elementary School.

A surprise visit from school superintendent Robert L. McConeghy who thanked the council for help in the recent successful school millage renewal, delighted the delegates. Mrs. Gloria Chandler, who conducted the meeting in the absence of president Mrs. Fran Petre accepted McConeghy's expression of appreciation.

In other business, it was reported that debts had been

incurred to support and advertise the millage election. Costs had exceeded \$200, while a special council fund established several years ago contains only \$148 for campaign expenditures. Mrs. Peg Roas said the REA might assist with the outstanding balance.

Delegates voted a letter of approval be addressed to a Detroit newspaper concerning its policy of restricting the advertising of X-rated movies.

Mrs. Lorena Burton and Dr. Ralph Steffik explained the Section Three basic cognitive skills program, initiated this year in elementary schools.

In the Junior Division's Ninth Grade Experiment, Kent R. Firrier of Belleville, student at the North Junior High School in Belleville, won second place award. Lorretta Long is his instructor. Firrier's experiment was called "Some Expansion Characteristics of Common Metals."

In the Eighth Grade Graphic Arts Division, Donald L. Pall of Romulus, a student at St. Stephen's Catholic School in New Boston, won a second place award with his project "Observing Plant Life." His instructor is Patricia M. Katanski.

A special award was presented to Tim L. Glaab of New Boston, a St. Stephen's School student, for his "An Extinguishing Device for Aircraft."

In the Seventh Grade Experiment Division, Peter J. Glaab of New Boston won a second place award with "The Study of Bones." Patricia M. Katanski is the instructor for both Glaab boys.

In the Seventh Grade Graphic Arts Division, Gregory Laurain of New Boston, also a student at St. Stephen's School, won a second place award for his "Function of the Kidney and Kidney Machine."

**GETS AWARD** - Miss Gaeney Kozma, 18, daughter of Mr. and Mrs. Steve Kozma of 768 E. Huron River Dr., Belleville, will be presented today (Wednesday) with a special award certificate by Eastern Michigan University for her outstanding achievement at EMU. It was announced Monday. Gaeney, who is a 1971 graduate of the Belleville Senior High School, has earned an all A average during her first semester at EMU.

## Watershed group seeks hearing on disposal facility plan

The Huron River Watershed Council has announced it is seeking a new public hearing on the U.S. Army Corps of Engineers proposal to construct a diked disposal facility at Pointe Mouillee near the mouth of the Huron River.

The diked area is being planned to contain polluted dredge spoil from the Detroit and Rouge Rivers.

The Watershed Council is requesting a new hearing because of concern over the

possible serious adverse environmental impact of the proposed project. A primary concern is the possibility that the proposed dredging and disposal would result in increased methyl mercury contamination in the Detroit River, western Lake Erie, and the Pointe Mouillee area with consequent danger to fish, wildlife and human health.

The dredgings to be disposed of, totalling close to one million cubic yards each year for 10 years, have been certified by the Federal

Environmental Protection Agency as contaminated with mercury.

A major purpose of the new hearing would be to determine if the proposed dredging and disposal process would increase methyl mercury contamination by distributing the inorganic mercury over a wider area. Mercury in river bottom sediments is converted by bacteria and molds from its harmless inorganic form to highly toxic methyl mercury compounds, which attack the central nervous system of all

forms of life, including humans.

Additionally, the council is concerned over the destruction of a significant portion of the Pointe Mouillee marsh, one of only three such areas in western Lake Erie. The new hearing would permit further evaluation of existing fish and wildlife values in the area.

The Huron Watershed Council is an official intergovernmental agency established in 1965 under the provisions of Michigan Public Act 253 of 1964.

One of the council's statutory responsibilities is to advise federal, state, and local governments as to the council's view of problems and needs regarding water and related land resourced in the Huron River watershed, and to make recommendations for appropriate public policies and programs concerning these resources.

Background information on the proposal and Huron River Watershed Council comments concerning it are available from the Council office: 415 W. Washington St., Ann Arbor, Mich. 48103.

## Berean Baptist Church holds Bible conference

The Berean Baptist Church, located at 6889 Belleville Rd. (between Ecorse and Van Born Roads), Belleville, will have a Prophetic Bible Conference Sunday through Wednesday April 9-12.

The service Sunday morning will be at 11 a.m. and the evening services will be at 7 p.m.

Rev. Paul Tidball of Cleveland, Ohio will be the speaker for the series. Rev. Tidball was ordained to the gospel ministry in 1940 and has held pastorates in Oregon,

Pennsylvania, and Ohio for a period of 16½ years.

Since 1957 he has been the assistant superintendent of the Cleveland Hebrew Mission. He does door-to-door visitation in the field of Jewish evangelism, directs Kamp Kidron, is candidate secretary for the mission as well as being editor of the Daily Prayer Calendar put out by the mission.

Rev. Tidball conducts a yearly tour of the Holy Land and will be conducting a tour in November of this year.

Each night he will be showing slides of the Holy Land with much Scripture included in the narration.

The subjects are Sunday morning, Jordan in Prophecy; Sunday evening Israel's Repentance; Monday, The Destiny of Egypt; Tuesday, The Defeat of Russia; and Wednesday, Jerusalem: Past, Present and Future.

## Bank of Ypsilanti has exchange plan

Fritz-Dieter Goldschmidt, 31, of 714 Ludwigsburg Strausweg 8, West-Germany, an exchange student through the University of Michigan and the AISEC program, has been with the National Bank of Ypsilanti for the past three months, learning a working knowledge of banking in the U.S.A.

Goldschmidt, who speaks German, French and English, is a graduate of Technical University, Berlin, and holds a degree in electronics and a master's in economics.

Through exchange student and practical training programs, he has also been to France, England, India, South Africa and Argentina.

During his stay in Ypsilanti and sponsored by NBY, Goldschmidt became active in the local Jaycees and attended several meetings.

Goldschmidt found

FRITZ-DIETER GOLDSCHMIDT

Ypsilanti pleasant and enjoyable, and the people at NBY very friendly and helpful in learning about banking in the United States.

## Joyce Perdue is society veep

Miss Joyce Juanita Perdue, daughter of Mr. and Mrs. Carlos Perdue of 42015 Expressway, Belleville, has been elected vice president of Chi Sigma Phi Literary Society at Bob Jones University, Greenville, S.C.

A 1969 graduate of Belleville High School, Miss Perdue is a junior at BJU majoring in home economics.

Membership in one of the 42 literary societies is open to the more than 4,500 students who

attend Bob Jones University, which is often called the "World's Most Unusual University." The literary societies sponsor intramural competition in debating, sports and other activities.

Bob Jones University is a co-educational, liberal arts, Christian institution standing for the "old-time religion" and the absolute authority of the Bible. Its student body comes from all the states and 30 foreign countries.

## What causes tax refund holdup?

Wondering why you haven't received your federal income tax refund?

If you are entitled to one, wait 10 weeks after filing before writing the Internal Revenue Service, Thomas A. Cardoza, district director of the IRS for Michigan, said Monday. By then, you should have either a check or a letter explaining the delay.

Because the Cincinnati Service Center, which serves Michigan taxpayers, handles

millions of returns every filing season, it is practically impossible to locate a particular return to answer any question until processing cycles are complete.

If you do need to write, indicate in your letter when and where you filed your return, and give your name, address and Social Security number. This information will help speed a reply, Cardoza said.

## 'Y' eyes club for gourmet cooks

Do you read the recipe section of the newspapers and magazines first? Do you buy "Gourmet" and "Bon Appetit" magazines to try the newest?

Do you wish you could share your new found delights with others who would appreciate your efforts and skill? If so, the YWCA is organizing a group just for you.

They are looking for

couples, one or both who cook, who would like to form a Gourmet Couples Club to meet one or twice a month and share the mysteries of exorcists, Riesling wine, saffron and many other delicacies.

If you and your husband would like to find out more about this new venture, call Miss Grey at the YWCA LO 1-4110.

## Moon is appointed Hydra-matic manager

The appointment of Joseph W. Moon to the position of manufacturing manager of the Hydra-matic Division was announced by J.S. Garlick, division general manager. The appointment is effective April 1.

Moon succeeds Charles F. Brundie, who will retire March 31.

Born in London, Ohio, on Nov. 11, 1935, Moon joined General Motors Corp. in 1957 as a General Motors Institute student at the Hydra-matic Division.

In 1961, he graduated from the General Motors Institute with a bachelor of science degree in mechanical engineering. In 1962, Moon was named a production foreman.

After a series of assignments in the Division's Manufacturing Department, which included assistant superintendent and superintendent, he was named

JOSEPH W. MOON

director of quality control in 1970, the position held previous to this appointment.

Moon, who is active in scouting and a member of the Ypsilanti Chamber of Commerce, resides 357 E. Columbia Ave., Belleville, with his wife Bonnie and son Joseph II.

## Polka dance slated

The Polka Booster Club of America will hold a polka dance Saturday, April 8, at the UAW Hall, local 157, located at 29841 Van Born Rd., Romulus.

The doors will open at 7 p.m.

and dancing will begin at 8 until 1 a.m. Tickets are \$3 per person.

For further information, call the ticket chairman, Ann Laskowski, at 381-1193 or Connie Duha at 292-4725.

### Cherie forced to the sidelines

By TOM MOORADIAN  
Daily Eagle Sports Editor

"She's not there," replied our man with the camera as he stepped in out of the sun.

"What do you mean, 'she's not there'?" I know she was there. Every other newspaper has gotten a shot of her."

"Well, she isn't. Ask Norm Hoenes," said the photographer.

So I did.

"Where's Cherie Parks, coach?"

Pause.

"We had to drop her," replied Hoenes, the veteran baseball coach at Westland John Glenn.

Parks, the cute 17-year-old Glenn senior, was the first area gal who had the nerve and the talent to try out for an area high school baseball team. A second base 'man' (heck we'll have to coin a new word for her), Cherie proved to Coach Hoenes and her teammates that she was serious, that she really wanted to play ball . . . and that it wasn't just a publicity stunt.

"She's good," said Hoenes whose team captured the Northwest Suburban Conference baseball crown and also picked up a district title. "She can field, throw and run well. She needed some batting practice, but she was coming along."

Miss Parks was forced to the sidelines because of a Michigan High School Athletic Association ruling, "that prohibits girls from participating in a sport where there are one or more boys competing."

"We hated to see her go like that," said Hoenes, "but I'll tell you one thing. If we had boys around here with as much desire and enthusiasm, then Glenn would be a famous athletic school."

And that ends the saga of Cherie and the Rocket baseball team.

Or does it?

The Michigan Legislature is still studying a resolution which would allow girls to compete against boys in non-contact sports such as tennis, swimming, golf and track.

Unfortunately, before the legislature move, Miss Parks will have graduated.

Quick now if Billy Joe Young, of Garden City East, is the dean of area basketball coaches with 14 years of nail-biting behind him, who then is the dean of area high school baseball coaches?

Give up.

He's none other than Vitold "Veets" Kaminskis who will be entering his twenty-third season as Belleville High's head diamond cutter when the umps cry "Play Ball" this week.

Twenty-three years . . . that's a lot of baseball, folks.

And just when the Detroit Tigers appear to be putting it all together, as the saying goes, wham - a baseball strike. Well, really, you can't blame the players for walking out, after all who can live on \$550 a day about what some of the players are getting.

Yes, I know the strike is over THE PENSION FUND and that the player's organization wants the owners to dig into their pockets and come up with a cool half million to supplement the fund, but I think a line has to be drawn somewhere.

If these guys were paupers — the players, that is — I would back them to doom's day, but with the fantastic salaries they're getting nowadays, hell, let them bank some of their pay check instead of flying around in planes and playing the organ, and...well, you fill in the blanks, will you?

Dil Clack, the veteran baseball coach in Garden City, is going all-out to get the first Garden City Invitational Class A Baseball League in orbit.

Clack, whose teams have had to compete in Dearborn and Livonia previously because of a lack of "A" leagues in this corner of Wayne County, has teamed with Dearborn Heights' Jack Murphy to launch the new league which presently has lured four teams.

"We feel this area deserves a good hardball league and that's one of the reasons why we're trying so hard to get established," said Clack. "Many of the high school players who graduate head for Detroit to play leagues there. We would like to keep the home town talent at home."

# Kaminskis begins 23rd year

## Belleville coach optimistic

Veets Kaminskis begins his twenty-third year at the helm of the Belleville Tiger baseball squad and the dean of area diamond coaches sees a bright future for his charges this spring, providing he can shore up a lack of hitting punch, the one thing that spelled mediocrity for the squad last year.

Belleville will be definitely improved on defense this year with a host of returning lettermen back after a year's experience. On the mound, Kaminskis has two proven lefthanders and hopes that the right-handed portion of his starting rotation will come around.

Hitting seems to be Belleville's problem. Kaminskis couldn't field a

line-up last year that offered much punch with the bat and the veteran field boss is hoping to put a little more punch into the line-up this spring.

"We were hitting last year and I'm hoping that several of the boys can develop their skills with the bat so we get a little more punch with our offense. The last seven runs we scored last year were notched without a hit and that gives an idea of how weak we were with the stick. I'm hoping things will change this year."

of the Tiger squad and is the key to success for Belleville this year. Gowen, besides being the premier left-hander

on the mound, is also expected to carry the brunt of the offensive punch. He proved to be one of Belleville's most

consistent hitters last year and, along with fellow senior, Mike Dansard, will be expected to provide much needed one-two offensive punch this year.

Coupled with Gowen on the mound is another lefthanded senior, Steve Theodore, who also showed promise on the hill as a junior. The two southpaws will give Belleville a strong mound duo, but Kaminskis is hoping that Dave Billings can return to the form he showed two years ago as a sophomore to provide pit

season last year but Kaminskis is confident that he can return to the form he showed two years ago.

Defensively, a large share of the nine veterans returning will give the Tigers much needed experience in the field. "We have nine players back this year and they all gained a lot of experience last year," Kaminskis said. "We should be sound on defense, both in the infield and the outfield."

Among the reuniting veterans are, Rick White, who saw action at short stop and third base last year. Larry Brakman, who saw duty at first base and in the outfield as well as limited duty on the mound and Mike Kotke, who

## Tiger tankers break record

Tiger Swim Club swimmers broke one record and captured three first places at a recently held AAU Swimming & Diving Invitational held in East Detroit.

The 400-yard freestyle relay composed of Brad Susterka, Terry Mills, Dean Ackron and Jeff Liedel placed first with a record-breaking performance of 3:34.5.

Also first was Dean Ackron in the 100-yard butterfly, which he covered in 58.0.

Tiger swimmers finished 1-2 and fourth in the 400-yard individual medley. Leading the parade was Brad Susterka who was clocked in the winning time of 4:48.9, beating teammate Dean Ackron to the wire. Ackron was clocked in 4:51.3. In fourth place was Jeff Liedel. He wound up with a 5:00.3.

Mills won a silver medal in the 100-yard breaststroke when he touched in at 1:08.0, while the 200-yard Tiger medley relay team of Brad Susterka, Terry Mills, Dean Ackron and Jeff Liedel finished third in 1:50.8.

Brad Susterka was fourth in the 100-yard backstroke (1:03.3) while his brother, Barry, who competed in the men's senior division diving competition placed 13.

Barry just missed qualifying for the national AAU invitational when he came up short in his team total with 45 points. He faced stiff competition, meeting some of the top-ranked divers from Michigan State, Indiana, University of Michigan and Brigham Young.

Two former Belleville High All-Area baseball players are back in Eastern Michigan University's lineup this season. They're Bruce Bara and Gary Gentile.

Bara, a 5-foot-10 184-pound junior, and Gentile, a 6-foot, 190-pound junior, left Ypsilanti with the team last

week on a gruelling nine day road swing through the mid-south.

Coach Ron Oestrike's ball players will play 16 games in nine days. The Huron coach views this season "as an ideal year to rebuild with the Huron team one year away from competing for the Mid-American Conference championship."

## Basketball open to boys

Junior and Senior high school boys are invited to play basketball on Wednesday evenings at 7 p.m. at Gordonier Elementary School, 29814 Smith Rd., Romulus.

The activity is sponsored by the Romulus Help Center and is coached by Tim Sypula, assisted by Peter Kertesz.

**FOOT-IN-MOUTH** - Brown-belter Henry Trachuk (at left) learns that everything goes in Karate as instructor John Norsworthy shows how to cool off a would-be attacker with

a quick-kick in the face. Norsworthy holds sessions at Romulus High School and is being sponsored by the city's parks and recreation department.

## Cuhran aims high

It's always nice to play in a league," said Cuhran, who has been the assistant baseball coach for the past three years at the high school.

"There's tremendous potential on this year, however, and we could do as well as last year's team if everything falls into place," he said.

Last year, by the records, the Romulus aggregation finished with a 13-3 won-lost record.

The key to any team's success is the mound. And Romulus has lost All-Area hurler Lee Ballard through graduation. Being groomed for the No. 1 pitching chores is Sam Ruffolo, a senior 5-11, 150-pound southpaw who twirled in the shadows of Ballard last season.

"Sam has all the stuff that goes into the making of a fine pitcher," said Cuhran, "and will depend on his performances."

Also back from last year's squad is Bill Ward who was named to last year's final all-conference team. The 5-foot-10, 138 pound senior will handle the chores around second base. Teammate Ken McMann, who stands out in almost every sport he participates in, will be shifted from first base to behind the plate.

The move was necessitated when veteran catcher Kevin Christensen injured his knee. McMann, an All-Area griddler who also excelled as a center with the Eagle's cage team, could help make this a "fantastic year for the baseball team as well."

Rounding out the returnees are outfielders Mike Bilbrey, a 5-9, 145-pound centerfielder, and Marty Vaught, a 5-10, 150-pound rightfielder. Virgil Smith, an All-Area grappler who slugged the ball around at a better than 400 clip, will be at short. He is looked upon as another super-star.

"We lack depth on the mound," admitted Cuhran, "and injuries could cause us a lot of problems. But I see the plate and our defense as strong if not better than last year's."

There are a host of promising candidates who are moving up to the varsity from a reserve team that also had an outstanding season last year.

Among those who are seeking varsity status are southpaw Robert Eves, Larry Hale, outfielder; Bruce Strachan, a utilityman who wields a potent bat; Mannel DeLarosa, an outfielder and Jim McBride, a first baseman

who also looks tough at the plate.

Cuhran, who played for Detroit Cass Tech and had a long sandlot career, earned his Bachelor of Science degree in education and holds a masters in physical education from Eastern Michigan University.

Romulus was slated to open the 1972 campaign Monday afternoon at Cherry Hill, weather permitting. The Eagles will face Wayne Memorial today at 1 p.m. at Romulus High.

# Smith sees '72 as 'year to rebuild'

Ron Smith, head baseball coach at New Boston-Huron High School, will unveil a team that he hopes provides balance in all facets of the game for the 1972 baseball season.

Smith's recent teams have been noted for power at the plate, but weak in the field and the Chief's diamond boss is looking for the proper balance this year.

Smith is working with a nucleus of seven lettermen on a squad of 18 men. Notable losses this year are Butch Suemnick and Jack Gracia, two of Smith's most reliable hitters, who had explosive seasons with the bat last year but won't be around for the coming season because of graduation.

Smith will be counting on a sound pitching staff and is hoping that his defensive alignment will beef itself up in order to be successful as the Chiefs mentor admits, "that hitting talents are down somewhat this season."

Ron Thompson, a senior

right-hander and Jamie Hinojosa, a junior southpaw, will anchor the pitching corps this year. Both are proven veterans and give talent as well as experience as heavy plus factors.

Also figuring heavily into the pitching plans are sophomore left-hander, Ken Delano, a youngster who looked promising during summer league competition in 1971 but who is yet unproven in high school varsity competition, another left-

hander, Gary Whitehouse, a junior who also showed promise on Smith's 1971 summer league squad.

"This team has the best over-all attitude that I have seen on any team in quite some time here," Smith said. "They are willing to work hard and they have confidence to do the job. We realize that our hitting is down this year and we have to plug some holes on defense, but we think that if we can balance our

hitting and fielding we can make a run at being successful this season."

An improved defense is Smith's goal this season, though graduation losses have opened several holes in the Huron defense.

In the outfield, five players are hustling for the starting positions. Mario Gracia J. Hinojosa, Tim Hinojosa and some unproven youngsters are in the thick of a tight race for the three starting slots in

the outfield. "They are all about equal defensively," Smith said. "And the ones with the best bats will probably get the starting jobs."

The middle of the Chiefs' infield is also up for grabs with a hot battle going on for the number one spot at shortstop and second base. A pair of juniors, Larry Hartsuff and Chuck Pearson have shown promise and Smith is hoping that they can do the job

defensively, though both are inexperienced when it comes to varsity competition.

Dana Kemp, a .300 plus slugger last year, will provide most of the offensive punch as well as an experienced backstop for Huron. Kemp will return to the number one catching position.

Kemp, along with Thompson and Art Sarkkinen are expected to provide the bulk of the Chiefs' offensive punch this season. Sarkkinen saw action at third base last season and shows promise with the bat as well.

Airport and Catholic Central appear to be the teams to beat in the Huron League this spring, according to Smith. "Airport has almost everybody back and they won it last year so you have to consider them the favorites. Catholic Central should also have a good team this year and those two will probably be the ones to look for at the end of the season."

Smith won't make any prediction about the coming season and how his charges will fare. With only five of the 18 players in their senior year, Smith is also looking forward to the future and calls this "a rebuilding year."

"We have a lot of unproven quality this year but the kids are really working hard and I think we will surprise some people, especially with our pitching. We have a lot of spots to fill and we have a lot of underclassmen but if we can shore up our defense, which is our goal, we could have a good year. The players have confidence and they are a hard working group."

## Jackson claims all-state berth

David Jackson, the scorching eager in East High history, became Garden City's second prep to ever be named to the Associated Press' Class A All-State basketball team.

Jackson, who broke all kinds of records in leading East to district and regional

championships, follows in the footsteps of West High Great, Rick Drewitz.

Drewitz was picked by the AP after a phenomenal season in the 1969-70 campaign.

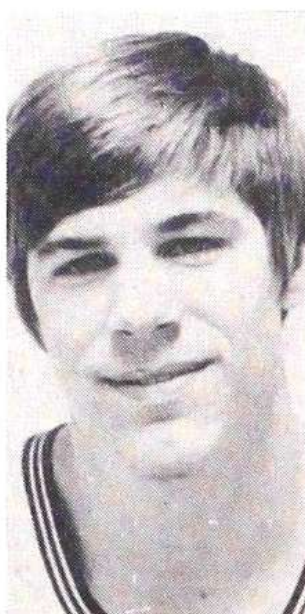

The first East High player to shatter the 1,000 point barrier, Jackson was intimidating at both ends of the court. He was the Panthers leading rebounder and usually came off the court with an average of seven blocked shots.

East finished the 1971-72 campaign with a 17-5 over-all record. Coach Billy Joe Young doesn't even want to think about what type of season it would have been for the Panthers without his 6-foot-4 "jumping jack."

College basketball coaches spend more time than they like to admit on the road, scouting prep schools for raw talent.

It's not surprising that many of their stops in recent years have been in Michigan, now considered a hotbed for high school basketball.

This year's 1972 Associated Press Class A high school basketball team should be no exception. It boasts several college prospects and at least a couple in the "superstar" category.

Those are just a few of the big names, former All-Staters, who have lured the recruiters.

## Tiger pitchers honored

DETROIT — Three Tiger mound stars have been selected to receive coveted Soup Bowl trophies at the 31st annual Capuchin Charity Guild Baseball Dinner at the Raleigh House April 13.

Mickey Lolich, who was Tiger of the Year in 1971; Joe Coleman, a 20-game winner for the first time; and Fred Scherman, outstanding bullpen ace, will get the silver bowls. It will be the second time Lolich has been picked for the Capuchin salute. He also was honored in 1968.

Emmett Ashford, retired American League umpire who is a highly-regarded after-dinner speaker, will be featured at the benefit dinner which will be attended by Manager Billy Martin and the entire Tiger team.

Proceeds will help support the Capuchin Soup Kitchen for indigents and other charity projects of the Capuchin Guild.

Tickets at \$17.50 each can be ordered through the Capuchin Monastery on Mt. Elliott and will be on sale at the Tiger Stadium Advance Ticket Office, Michigan and Trumbull, starting Monday (April 3).

Previous Soup Bowl winners include:

1962 — Bob Scheffling, Norm Cash, Tommy Bridges.  
1963 — Hank Aguirre, Dick McAuliffe.

1964 — Chuck Dressen, Billy Bruton, Heintz Manush.  
1965 — Bill Freehan, Dave Wickersham.

1966 — Willie Horton, Don Wert.  
1967 — Denny McLain, Earl Wilson.

1968 — Al Kaline, Meikey Lolich.  
1969 — John E. Fetzer, Jim Campbell, May Smith.

1970 — Jim Northrup, Mike Kilkenny.

Billy Martin, Jim Price, Timmerman.

## 23rd season

(Continued from B-1) saw limited action in the outfield last season.

The only experiment this season will be Dansard's switch to catcher. Kaminski hopes that his star senior can switch from his normal outfield position to the backstop in order to fill a hole left by graduation.

Competing in the expanded Suburban 8 conference this year, Kaminski sees Edsel Ford, who along with Dearborn joined the league this year, and Redford Union as the two schools to beat. "They both did quite well in the state tournament last year and they will probably be the two teams to beat in the league this year," Kaminski said.

"If we get some hitting we could surprise a lot of people in the league this year but we have to get the big sticks in there if we want to be a contender."

Kaminski is excited about the coming season and is "looking forward to it." The veteran coach said that his charges have a real good attitude and are ready to go. With experience in the field and a hoped for strong hitting attack, Belleville could cause problems in the Suburban 8 conference this year.

## South Junior High sports awards presented

South Junior High School in Belleville held its annual winter sports award recognition assembly before the entire student body last Monday afternoon in the school gymnasium. Awards were presented to all of the winter sports athletes.

A special recognition was given to Mrs. Gert Minthorn and Miss Susan Zoelling, Mrs. Virginia Patke, Mrs. Phyllis Bies and Mrs. Mary Bracken for all they have done to assist the coaches. Each one was presented with a long-stemmed rose from the coaching staff.

School Principal Don White introduced each coach, who in turn gave out the awards to the various athletes.

Swimming awards were presented by Coach Stewart Israel, seventh, eighth ninth grade basketball awards were made by Coaches John Forsyth, Richard Leidheiser and Douglas Helnick.

Listed below are the names of the young men who were honored for their participation:

THE NINTH GRADE SWIMMING AWARDS WENT TO:

David Barber, Larry Bell, Albert Capili, Brian Colwell, Mike Hoelzel, Mike Hodge, Glenn Jones and John Lane.

John Landoski, Stanley Mobley, Brian Palmer, Rodney Patterson, Steve Stillwagon, Rodney Sullens, Narvel Turner and Tony Veerkamp.

The manager is Gerald Smith.

The ninth grade basketball awards were given to:

Dwight Baker, Tim Birk, Greg Brown, Kaseem Cohen, Don Coleman, Jeff Cunningham, Dave Dapsi, James Humphreys, Ivan Kindell, James Monaghan, Joe Reed and Fred Whitehead.

Team manager is Terry Landowski.

Clack said that if there are players in the area who wish to try out for teams they should contact the following managers: Livonia-James Rose (422-7099); Wayne-Charles Morris (728-6103); Southgate-Sam Lovio (464-3337). Clack may be reached at 421-9463.

The Garden City aggregation will have its first tryout on Saturday beginning at 1 p.m. at Garden City West High School.

Let's also clear the air before entering the new month. Here's a couple of items that some concerned parents would like cleared up. Can anyone answer these questions?

Dear Mr. Mooradian, Every year there are tryouts for baseball at Stevenson Junior High School.

And every year the rules are sent home for parents and the boy to read and sign. Number 1 rule is "that any unexcused absence from practice will NOT be tolerated."

Every year there are boys who miss practice. Some miss all but one or two practices. These boys are still picked over the boys who have been there every day for 2½ hours.

Would some teacher please step forward and tell me what lesson this is teaching the children?

Sign me Poor Sports Mother

Dear Mr. Mooradian: Just to keep the records straight — the article that you wrote in last Monday's Sports Meridian about the 18-year-old boy who was cut. We know, of course of whom you were referring.

Some of the parents and members of the team would like it "be known that the team couldn't help make a decision on if the boy should stay. (Ed. A senior baseball player was cut from an area high school because of drinking and using abusive language.)"

The decision was already made by the coach and they (the players) couldn't say how they really felt because at that time of our little meeting the team had not been picked. After all who wants to be cut?

The punishment was too stiff, in our opinion. And as the saying goes — rules are stretched and bent everyday. But, again, I guess it just goes back to the old saying that "it's who you are and who you know and if you come up with the right combination, you can almost do anything and get away with it."

Please let this boy and the family know that there are still some of us who care.

Thank you.

# Doctors complain about Wayne County General

By PAM WATT

A group of local doctors have added their names to a petition sent to the Wayne County Board of Commissioners requesting that Wayne County General Hospital be opened to all eligible physicians in the community.

The letter, dated March 25 and written by Dr. M. Dean Razi of Garden City, is the second such memo sent to the county board in the past six weeks. On Feb. 19, 26 local doctors wrote to the board requesting action, charging they have been "seriously constrained" in their efforts to provide care to the patients.

The main obstacle, the doctors charge, is the "lack of available beds in the hospitals of this area."

In the latest letter, 36 more doctors have added their names to the petition demanding quick action. They are from Garden City, Westland, Wayne, Inkster, Romulus, Livonia, Plymouth, Northville, Allen Park, Harper Woods and Detroit.

"Given the present financial state of the county, which is exacerbated by the deficit at the (Wayne County General) hospital caused by very low usage and other variables, it is incumbent upon the County of Wayne to consider very carefully a means to correct its deficit problem," Dr. Razi wrote.

"The spirit of the present petition is to help the county reduce its serious budget deficit, to avert the proposed

layoffs and to provide beds for seriously ill patients who may face complications as a result of long standing waiting for beds in other Western Wayne County hospitals," the letter accompanying the petitions stated.

In charging that their practices are being constrained, the doctors have pointed to a recent federally funded report which "reveals the significant underutilization of beds at Wayne County General Hospital."

The report, highly controversial and extremely critical of Wayne County Hospital, has received little publicity. Compiled over a one-year period by Loukas Loukopoulos, the report was funded by a Department of Housing and Urban Development (HUD) grant coming through the Michigan Department of Commerce.

The report, began Jan. 5, 1970, and completed Jan. 31, 1971, was proposed to analyze the activities of the General Hospital and Infirmary Divisions, to ascertain the need, relevance, productivity and efficiency of these two divisions in order to help policy makers with future planning.

One of the major charges coming from Loukopoulos' report was that the hospital was not meeting one of its primary functions—providing medical care to the indigent.

"Every act under which the county purports to derive authority to build, replace, expand, maintain and operate the hospital states very clearly that the hospital's prime function shall be to provide medical care to the patients of the

psychiatric and infirmary divisions, then to indigents and medical indigents and then to the general public, if there is any room left," Loukopoulos stated in a report to Wayne County Commissioner John McCann (D-Dist. 26).

"The fact of the matter is, or seems to be, that the words 'indigents,' 'county poor' and 'county afflicted' do not mean anything to the hospital and to the budget division, for if they did, some capitation and cost figures would be available," he charged. Loukopoulos has charged that the controller, budget director and superintendent could not provide him with statistics showing how many indigents were cared for.

"These words are used as emotional fall guys—patsys—to justify vast expenditures not only of the county's contribution to the annual operating costs, but the spending of the hospital's collected revenues as well," the report's editor charged.

Among the other items severely criticized by Loukopoulos were the hospital's occupancy rates, the caseloads of the full-time physicians, length of stay of hospital patients, and the "closed shop" policy concerning private physicians.

The "closed shop" policy, according to Loukopoulos, will not allow private physicians to attend their patients once they are admitted to Wayne County General Hospital. The policy, he claims, "does not allow for maximum utilization."

According to Loukopoulos, the annual operating costs of the general hospital division and the infirmary division have risen from \$8.8 million in 1961 to \$21.3 million in 1969. In the

same period the annual revenues increased from \$5.1 million to \$13.2 million, he charged.

"The operating 'losses' which are made up from the county's general fund have increased annually from \$3.65 million to \$8.1 million in the same period," he wrote. "The total amount of the county's contribution to the operating costs of these two divisions in the nine-year period is \$43,356,000."

Whether the county board responds to the doctors' complaints and allows them to treat their patients' at the Eloise facility depends upon the commissioners' feelings on the issue. But, if they begin investigating the charges of underutilization made in the year-old report, it may begin a much larger controversy.

## Belleville teachers inch by all-stars

A basketball game between the Belleville Intramural All Stars and members of the school faculty held recently in the Belleville Senior High School gymnasium ended in defeat for the intramural all stars. The score was 50-49.

The basketball game was sponsored by the Belleville Track Club, Football Club and Intramural Program.

The basketball game was sponsored by the Belleville Track Club, Football Club and Intramural Program.

The faculty team consisted of Lloyd Carr, Glenn Curtis, Keith Drayton, Keith

Emerson, Tom Fielder, Dan Fisher, Tom Fritz, Allen Gates, John Gochis, Ken Head, Phil Nuppert and John Preston Jr.

Making up the Intramural All Stars were Gene Williams, Bill Meyer, Ralph Cohen, Dave Billings, Titus Mitchell, Jerry Cole, Vern Gowen, Jan Tishmus, Gordie Sullens and Gary Van Buhler.

Taking the highest point scores for the faculty were Keith Emerson and Lloyd Carr, each with 12 points. Ralph Cohen, of the All-Stars, was high scorer of the game with 18 points, followed by

Gene Williams, also of the All-Stars, with 17.

Half-time ceremonies included trophy presentations by John P. Ford, principal of Belleville High School to the league champions, the "Bohemians", and the play-off champions, the "Ghetto Rustlers."

Proving the students weren't the only ones with all the style, the faculty cheerleaders supported their team, to the one point win.

The cheerleaders were Andrea Young, Linda Klobosa, Alberta Samonek, Carol Heldt, Barb Kelly, Linda Gorga, Kaye Hooten and Mary Ann Grier.

## Low cholesterol classes planned at Belleville High

A series of three classes in the techniques of preparing low cholesterol and weight reduction diets will be offered to residents in the Belleville area, beginning Tuesday evening, April 11, and continuing on consecutive Tuesdays.

The classes, which will be instructed by Mrs. Margaret Brown of Belleville, a registered dietitian, will be held in Room 103 of Belleville High School.

Classes will begin at 7:30 p.m., and run for two hours. Class limit will be 30 persons; a fee of \$3 will be charged each student, but the student's spouse will be admitted free.

Mrs. Dianne Batch, chairman of the nutrition committee of the Michigan Heart Association's Southern Wayne County Unit and a dietician at Riverside Hospital in Trenton, said that successful dieting is not simple or easy.

"It is so nice to say 'Push your chair back from the table,' it doesn't work that way," she added.

"Overweight people are physically different from the normal. They have more body cells, of course, but these cells are also larger. Many persons respond to stress by eating, and dieting itself is a stress."

it answers questions you may hesitate to ask

Many women have told us that this booklet has been most helpful in answering questions that may arise concerning funerals. It is advertised nationally by National Selected Morticians. The booklet discusses funeral customs, what to expect from your funeral director, obtaining benefits to which you may be entitled, funeral costs and payment, acknowledgements and other considerations involved in funeral arrangements. It includes The Code of Good Funeral Practice to which we are uncompromisingly committed.

Because we want you to be informed about funerals, we would like you to have a personal copy. Please write or call us for "What Every Woman Should Know". There is no charge or obligation.

## Handicapped trained to remove studs from tires

Are you stuck with studded tires you will not be able to use again on Michigan highways? If so, League For The Handicapped — Goodwill Industries has an easy solution for you.

Tests have shown that the studs can be removed from the tires, which then can be used in the future as regular snow tires. All it takes is a little know-how. League — Goodwill has trained a crew of handicapped workers to

perform the work at a reasonable cost to the public. All that is required is for owners of studded tires to take them (unmounted) to the nearest Goodwill Industries retail store. Goodwill stores are located throughout the four-country area of Metropolitan Detroit.

At regular intervals the trained crew will visit each store and remove the studs. The customer may then pick up his tires from the store at

his convenience. The charge for the service is \$2 per tire. Russell G. Albrecht, executive director of League—Goodwill, points out this is just another way non-profit rehabilitation agencies are opening up job opportunities for the handicapped while at the same time providing a service to the public.

A Goodwill store is located at 27436 Michigan Ave., Inkster.

### Gary Anguilm engaged to Detroit girl

Mr. and Mrs. Herbert Regin of Rosemary Street, Detroit, announce the engagement of their daughter, Pamela Eulaine, to Gary Lee Anguilm, son of Mr. and Mrs. Urban Anguilm of Sumpter Road, Belleville.

Miss Regin is a graduate of Pershing High School, Detroit, and her fiancé is an alumnus of Belleville High School. An ex-marine who served 18 months in Vietnam, the prospective bridegroom is now employed as a transportation agent for North West Orient Air Lines at Metro Airport.

The couple plan a June 9 wedding at St. David's Catholic Church, Detroit.

## A new ham loaf recipe nice enough for company

### Ham Loaf

1 cup bran flakes with sugar-coated raisins  
½ cup milk  
2 eggs, slightly beaten  
2 tablespoons finely chopped onion  
2 tablespoons finely chopped celery  
1 tablespoon prepared mustard  
1 teaspoon Worcestershire sauce  
Dash of cayenne  
4 cups ground cooked ham (about 1 lb.)  
Fluffy Mustard Sauce (optional)

Combine cereal, milk, eggs, chopped onion, chopped celery, and seasonings; mix thoroughly. Stir in ham; mix well. Pack ham mixture firmly into a 8x4-inch loaf pan. Bake at 350 degrees for about 50 minutes or until of desired doneness. Let stand in pan 10 minutes; then invert onto warming platter. Garnish with parsley and halved pineapple rings studded with whole cloves, if desired. Serve with Fluffy Mustard Sauce. Makes 6 servings.

### Fluffy Mustard Sauce

1 tablespoon sugar  
¾ teaspoon salt  
3 tablespoons prepared mustard  
2 tablespoons vinegar  
1 tablespoon water  
2 egg yolks, beaten  
1 tablespoon butter or margarine  
1 tablespoon prepared horseradish  
½ cup prepared whipped topping

Add sugar, salt, mustard, vinegar, and water to egg yolks; mix well. Cook over hot (not boiling) water, stirring constantly until thickened - about 4 to 5 minutes. Stir in butter and horseradish. Remove from refrigerator about 30 minutes before serving.

The Poultry Products Institute of Canada suggests combining chopped cooked turkey and chopped hard-boiled egg and diced celery or radishes for a tasty sandwich filling.

## Women discriminate against themselves

An assistant director in the Placement Bureau at Michigan State University believes that employment discrimination against women is real, but that "women unwittingly discriminate against themselves."

Gail Morris, who recently entered a new post in the Placement Bureau established especially to help women find jobs, is a walking array of programs, projections, problems and probabilities of employment for women.

She said that a Placement Bureau survey has shown, for example, that females holding bachelor's degrees from MSU in business and the social sciences earn respectively \$1,927 and \$1,110 less than the average graduates from these colleges.

"On the national level," Mrs. Morris said, "98 percent of the persons earning \$15,000 or more are male."

"There is no question," she said, "that women on the whole earn less and hold fewer high-status positions than men."

But Mrs. Morris is not one to shout "male chauvinist" at the figures.

"Many women unwittingly discriminate against themselves," she said. "They place more restrictions on location and travel than men do. They are not training for the professions that are in high demand. And they are not aspiring to the job levels that their male counterparts do."

"We have found that women, for the most part, are majoring in the over-supplied, low-demand fields - especially liberal arts, education, and social

science," she said. "Many of the recruiters who come to the campus are in business, industry and government. And I would say that 80 to 90 percent of the students who have scheduled interviews for these positions this term have been male."

Citing a projection for 1980 given to a House committee by the Bureau of Labor Statistics, Mrs. Morris urged women to "train for the fields where the most progress can be made, in demand, in salaries and in upward mobility."

"This report shows that the greatest demand in 1980 is going to be for chemists, counselors, dietitians, dentists, physicians and physicists," she said. "Women who want jobs need to consider these fields."

What recommendations would Mrs. Morris give a job-seeking female college graduate?

"First and more important," she said, "she must know herself. She has to formulate a well-defined employment objective and strive to reach it. Employers are not hiring students who come in and say they'll take anything the company has to offer."

"Second, she must stop thinking in the narrow categories of teaching, social work, and nursing," she said. "AND NURSING," SHE SAID, "and be willing to consider using these same skills in positions in business and industry. There are more companies specifically requesting interviews with women."

"The opportunities are there, just waiting for the right woman," she said.

## All Around The Town

...with Lee

### Far East visited by Belleville couple

LAKE POINTE PASS residents, Captain and Mrs. John Roberts chalked up quite a number of flying hours and air miles recently as they visited the Far East.

Departing Metro Airport March 2, they first spent a couple days in California with Disneyland, the San Diego Zoo and the Mission at Capistrano highlighting their itinerary.

Then it was off across the Pacific for Taiwan, Japan, Thailand, Hong Kong, and the Hawaiian Islands. Their 14-day tour of Asia was composed of 15 air line personnel, their five days in Hawaii being strictly 'solo'.

Choosing Japan as the high point of their trip, Marge described their travels via the country's celebrated bullet train to Kyoto, the oldest city in Japan. They enjoyed two full days of sightseeing there as well as their visits to Tokyo, Hakone and Atami; and their jaunt by bus up into a mountain resort for a day and a night. She also had the highest praise for the Japanese guides who, she said, had the most complete knowledge of their territory.

Bangkok's temples - the world's most beautiful - the famous floating market and a ride in a howdah atop an elephant are special remembrances of Thailand.

The spectacular view of night-time Hong Kong from the top of a mountain added an entirely different dimension to the city for the group who also had dinner on board a floating restaurant in Kowloon Bay and then attended the Chinese theater.

On their own in Hawaii, it was a time for "R & R" as they took a breather from schedules, rented a car and just did the Island at their own pace.

John and Marge arrived home on the 25th and a week later had their daughter and son-in-law, Vicki and Mike Barnett, and their two little girls, Tytti and Connie in for an Easter Eve dinner.

### Here 'n there--on Easter Sunday

THE CICOTTES - Al and Dena and their family of Lilac Lane - filled reservations at the Dearborn Country Club after mass Easter Sunday. Following dinner they called on Dr. and Mrs. Joseph Caputo of Dearborn and then visited Al's folks, the senior Al Ciottes in Melvindale. LIVONIA WAS the destination Sunday for Roger and Aileen Allyn of Belleville Road who were dinner guests of her parents, Mr. and Mrs. Howard Dietz. Especially honored at the family get-together were Aileen's brother, Paul, whose birthday fell on the holiday and their aunt, Mrs. Warren Haufmann of Centerline, who has an April 4 birth date. DICK, PATT AND TERRI GAMBLE had two places to go Easter Sunday. They first enjoyed breakfast with friends, Bill and Marilyn Watson of Haggerty Road, and then joined Patt's parents, the Warren Dufords for dinner. Also invited to their W. Huron River Drive home were their son, David of Wayne, and his friends from Walled Lake.

### European tour for M.S.U. junior

DR. AND MRS. Gerald Miller headed for E. Lansing on the holiday, called at Michigan State for their daughter, Pam, and her roommate, Jennie Lindamood of Baskin Ridge, New Jersey, and drove out of town to Fred Eyer's Steak House for dinner.

Missing from the family scene was the Miller's son, Jeff, who on the 22nd of March was on his way to Europe. Departing from Metro Airport, he switched to Icelandic Air Lines in New York and then winged his way to Luxembourg and a week later joined his scheduled tour group.

The 20-day plans call for visits to 10 countries: France (he spent Easter in Paris), Monaco, Italy, Austria, Liechtenstein, Switzerland, Germany, Belgium, Holland, and England.

After that, he plans to branch off on his own and play things by ear for a total of three months. Jeff, a junior at State, is taking time out from classes for a bit of first-hand geography.

### Eight candles top Tami's cake

THERE WAS a party out at the Charles Dennishome on Chase Road last Friday afternoon, their daughter, Tami, being the guest of honor.

Four second grade classmates, Linda Saenz, Debbie Hamlin, and Linda and Lorraine Hawkins; a cousin, Lisa Dennis; and Tami's aunt, Pam Wohlfeil, were on hand to sing 'Happy Birthday' and to watch the eight candles being blown out.

Games, prizes, and of course, cake and ice cream were all part of the afternoon fun.

## Mother's 82nd birthday marked at family dinner

A party marking the 82nd birthday of Mrs. Elizabeth Power of Ypsilanti was held recently at the home of her son and daughter-in-law, Tom and Marjorie Power of Ypsilanti.

A sit-down Italian dinner featuring lasagna and meat balls was served at tables

covered with checked tablecloths with lighted candles in the center. A wine toast was also offered to the octogenarian during the repast.

Guests included the honoree's daughter, Imogene and her husband, Harold Mason of Ypsilanti; Mrs. Evelyn Newton of Belleville; and Betty and her husband, Gordon Ives of Belleville.

Grandchildren on hand for the celebration were Mike Phil and Al Ives, Beth and Dick Nota with their four sons, Betsy, Cindy, Richie, and Scottie, all of Belleville; and friends, Mrs. Verda Mason and Mary Thumm, both of Ypsilanti.

Also singled out because of their birthdays that same week were Gordon Ives, Dick Nota, and Betsy Nota.

## WOMEN Of The MOOSE

By GERALDINE MILLS

Belleville Chapter 1135: April is Membership Month. The committee is planning a card party for April 18. There will be door prizes and hi-lo prizes and a light luncheon will be served.

Last Monday night during our regular business meeting we held a special enrollment. Our new co-workers are Shirley Greg, Jeannette Hopson and Verjean Mellon.

Tuesday was rehearsal for the members of Academy of Friendship; they are planning for their "friendship swing" on the May 8th Chapter Night.

Our Friday fish fries are coming along fine, but we'd certainly like to see more people there on Friday nights.

Our sympathy to Edith La Pence and Myra Borton, who recently lost their husbands.

Overnight guests of Mr. and Mrs. Henry Deering on Monday of last week were relatives and one-time residents of this community, John Savage of Crosby, Minnesota, and his two daughters, Miss Joyce Savage of Salem, Oregon, and Mrs. Rae Cramer and family of Minneapolis.

Monday evening the Deerings hosted a pot-luck dinner in their honor. Present were relatives, Mr. and Mrs. Russell Wilson of New Boston, Mrs. Marvin Dann and daughter, Laura, of Saline, Mrs. James Savage of Robbe Rd., Mr. and Mrs. Richard Smith and daughter, Mr.

and Mrs. Douglas Kobish; friends, Mr. and Mrs. Merle Touse and Mrs. Winifred Gault.

They also visited relatives in Romulus and were Tuesday morning breakfast guests of Mr. and Mrs. Leeland Vandecar and Mrs. Lee Vandecar. Leaving later in the day they expected to make short visits in Okemos, Grand Rapids and Concord.

John's wife, Freda, who has been ill for some time, is comfortably situated in a convalescent home in Crosby.

Mr. and Mrs. Wade Neely of Westland were Easter guests of their son-in-law and daughter, Mr. and Mrs. Robert Welt, of Willis Rd.

Easter week-end guests of Mr. and Mrs. Paul Clark of Liberty St. were their daughter and husband, Mr. and Mrs. Gayle Bliss, and son Scott, and the former's mother, Mrs. Pauline Bliss of Moline, Illinois.

Mrs. Russell Wilson of Elwell Rd. was a guest of her daughter, Janice at the Mothers' Day week-end at Stockwell Hall in Ann Arbor. Among the several things they attended was the Michigan "Aqua Scenium" Swim Show presented by the Michigan Swim Club at Margaret Bill Pool and the Men's Glee Club Concert at Hill Auditorium.

Mr. and Mrs. Paul Kolver of Haggerty Rd. are the proud parents of a baby girl born Tuesday, March 28, at Riverside Hospital in Trenton, weight 6 lbs., 5 oz. The mother is the former Crystal Redlin. Both parents have been active in 4-H work.

Mrs. Nina Todd is again a patient at Beyer Hospital, Ypsilanti.

Easter guests at the Clayton Saunders home on Liberty St. were his mother, Mrs. Lillian Moore, their house guest, Mrs. Bernice Knop, and their son Lynn and wife from St. Clair Shores. Lynn has just recently returned from San Paulo, Brazil, where he has been on a General Motors assignment.

Funeral services were held for Charles Truesdell of Wayne, father of Mrs. Lynn (Lois) Hamilton of E. Huron River Dr., on Thursday, March 30, at the First United Methodist Church in Wayne. Mr. Truesdell passed away suddenly on Sunday, March 26, at the age of 70 years.

Rev. and Mrs. Robert McQuaid and two sons of Port Huron were overnight guests of the former's parents, Mr. and Mrs. Howard McQuaid, of Second St. on Friday of last week.

Mr. and Mrs. Russell Wilson and family of Elwell Rd. were

dinner guests, Easter Sunday of Mrs. Wilson's brother and wife, Mr. and Mrs. Earl Sheats, of New Boston.

Mrs. Ted (Eva) Luper of Karr Rd. has been a patient this past week at Beyer Hospital, Room 527.

After spending a month at Ft. Lauderdale, Florida, Mr. and Mrs. Richard Hamilton returned home on Friday, March 24.

Mrs. Lewis Pierman of Ottawa, Ohio, has been a recent guest of her sister, Mrs. S.C. Pierman, of E. Huron River Dr.

Easter week-end guests at the home of Mr. and Mrs. George Maki of Quirk Rd. were the latter's mother, Mrs. Fay Domenget, and sister and husband, Mr. and Mrs. Robert Rundblom, all from Des Plaines, Illinois.

On Sunday, March 26, Mr. and Mrs. Frank Rochowiak Jr. of Elwell Rd. entertained a group of relatives at dinner in celebration of the 9th birthday of their daughter, Susan.

Beth, youngest daughter of the John Thompsons of High St., has been home from school for several days with the chicken pox.

Mrs. Ruth Shoup of Liberty St. was a guest over the Easter week-end of her daughter, and husband, Dr. and Mrs. Allen Schultz, of Baltimore, Maryland.

## Getting married? Tell us about it

Want to share that 'special day' with those who are unable to be present, in person, for your wedding ceremony? We'll write the details of your wedding in story form for you — and at no charge — if you'll simply follow a few guidelines.

The Belleville Enterprise and Romulus Roman offer bridal questionnaires for you to fill out as well as engagement forms for announcing the 'start of it all.'

Forms may be picked up at our office, 405 Main-Street, (we're in the old Township Hall now) anytime during the week or will be mailed out if a telephone request is made. Call the Women's Editor at 697-9191.

## Man-power in supermarkets

The male shopper, though in the minority, more often than not is the primary shopper for his household, according to a recent survey. On the average, he is a 43.7 year old high school graduate with a family income of \$11,285 per year, and he spends an above-average \$10.46 on each of 2.3 shopping trips a week for his family of 3.2 persons.

Fresh meat is the item he purchases most often, regardless of his age, or income group. Frozen foods, dairy products, fresh produce and other items that need frequent replacement also account for a high percentage of his purchases.

White fire lumber is non-resinous, fine-textured.

## Strand-Scherer marry

## Cicero, N.Y. church is site of wedding

Sacred Heart Church in Cicero, New York was the setting March 18 for the double ring nuptials which united Donna Marie Scherer and Michael Harold Strand in holy matrimony.

The Rev. Paul Le Strange officiated the 12 noon rite before some 200 assembled guests.

Parents of the young couple are Mr. and Mrs. William J. Scherer of 6 Sherwood Circle, Clay, New York and Mr. and Mrs. Harold Strand of 49453 W. Huron River Drive, Belleville.

The bridegroom, a graduate of Belleville High School, is currently serving with the U.S. Coast Guard as a thirdclass engineman on board the CGC Ojibwa at Buffalo, New York. His bride, an alumna of Cicero High School and member of Phi Beta Sorority, is employed in Syracuse by the Kemper Insurance Company.

ESCORTED TO THE altar by her father, Miss Scherer appeared in a toe-touching creation of satin designed with a shallow scooped neckline traced with ribbon-woven floral lace. The lace motif was also used down the front of the gown, on the high-rise bodice and again on the deep cuffs which accented the full, bishop sleeves.

Her Camelot headdress, made with identical lace, secured an elbow-length illusion veil. Completing her bridal finery was a bouquet of white roses, carnations and chrysanthemums.

For her role as maid of honor, Sandra Bitz of Cicero donned a pale pink, floor-length frock trimmed in white lace. She, too, wore a Camelot headpiece with pink veiling.

BRIDESMAIDS IN similar dresses of hot pink were Diane Scherer, sister of the bride; Mrs. Carolyn Voumard, the bride's aunt; and Pamela Strand, sister of the bridegroom.

Marshall Donegan of Bridgeport, New York, was asked to be best man. Others on the esquire side were Bill Scherer, brother of the bride; Charles Grovino of Clay, New York, uncle of the bride, and Dennis Lyons of Fulton, New York.

The bride's cousin, Thomas Voumard, carried out the duties of ringbearer.

At the reception, which followed at the Knights of Columbus Hall in Baldwinsville, New York, some 200 guests were greeted by Mrs. Scherer in a blue-green dress with harmonizing accessories and corsage of yellow roses. A similar corsage was worn by the bridegroom's mother, Mrs. Strand, who chose mint green for her ensemble.

ON LEAVING for their 10-day honeymoon at Niagara Falls, the new Mrs. Strand changed to a lavender hot pants outfit with white boots. Completing her outfit was an orchid corsage.

On their return, the newlyweds took up residence at 58 Sowles Road, Apartment 109 Hamburg, New York.

The rehearsal dinner, hosted by the bride's parents, was held at Anchorage Marina in Bridgeport.

# Automobile insurance reform urged by club

Automobile Club of Michigan asks its more than one million members in the April issue of Motor News magazine to actively support auto insurance reform in Michigan by urging their legislators to vote for the McNeely-Heinze no-fault insurance plan.

In the article titled, "What About No-Fault Insurance?", Auto Club Executive Vice President Richard R. Dann writes that change is badly needed in the present method of settling auto accident claims, which is "outdated, cumbersome, unfair and full of delay."

"Auto Club has supported a movement in cooperation with a bi-partisan legislative leadership composed of the Michigan House Insurance Committee Chairman, Rep. Matthew McNeely (D-Detroit) and Rep. James H. Heinze (R-Battle Creek) to draft a bill improving automobile insurance," Dann explains.

"We support this bill 100 per cent. We strongly recommend that all members support it and urge their legislators to vote for it because we sincerely feel it is the most practical solution to improving accident loss protection and rising costs," Dann tells readers.

According to the article, change is needed to a no-fault auto insurance system that will compensate accident victims quickly for damages and expenses but retain the principle that every motorist is responsible for his actions.

"The McNeely-Heinze plan meets these requirements since it would have all accident victims compensated regardless of accident fault," Dann says. "It goes a long way in solving current problems."

The plan, which is currently before the State House Insurance Committee, provides the following main benefits:

- Payment for medical and hospital expenses plus loss of income.
- Sets reasonable limitations on court awards for general damages or "pain and suffering."
- Makes possible additional compensation for claims involving dismemberment, disfigurement or permanent disability.
- Limits attorney contingent fees.
- Provides arbitration for cases not reaching trial within two years of commencement.

"Leaving the liability system in this no-fault plan is an

essential ingredient and makes every motorist financially accountable for his actions," Dann writes. "It also determines insurance rates in relation to the driving and accident record of every individual and provides the means by which settlements may be tailored to one's economic loss."

"A large number of our members indicated to us that they did not want fault eliminated, as Gov. Milliken's and other plans would do," Dann states.

"For example, while legally stopped for a red traffic light, your car is struck from behind by another vehicle. According to the Governor's plan, even though the other driver clearly is responsible for the accident, you cannot collect from him for damages to your car. With the club supported plan, the at-fault driver and his insurance company would be financially liable for damages to your car."

The one-page article includes statements by the two sponsoring legislators.

Says Rep. McNeely: "... No-fault auto insurance in Michigan constitutes a major change in state law. This change is designed to assist our residents in meeting their problems as they relate to their physical condition and economic status..."

Says Rep. Heinze: "No-fault will certainly expedite settlement of claims and ease the financial impact on a person injured in an auto accident and his family. It will assure at least some reparations to even the person at fault..."

The article points out that the McNeely-Heinze plan, while it does not promise huge savings, does give indication of reducing auto insurance rates somewhat.

"The only way to significantly cut rates would be to drastically reduce services, and if anything, motorists seem to want added protection and not reduced benefits," according to Auto Club.

A no-fault plan similar to those proposed in Michigan recently was ruled unconstitutional by the Illinois Supreme Court. However, in Massachusetts, a no-fault plan was ruled constitutional.

"Auto Club is aware of these court decisions," Dann states. "That is why we are trying to help develop a no-fault plan for Michigan that will prove to be constitutional."

Most of the January, 1971 Motor News was devoted to no-fault auto insurance, including explanations of various plans and concepts.

## County plans diabetes class

Diabetics and their families can learn about the condition of diabetes mellitus, its control and treatment, and the relationship of diet in classes sponsored by the Wayne County Department of Health.

The next series of classes for diabetics and their families will begin April 17, from 7 to 9 p.m., at the Wayne County Health Center, located on Merriman Road, north of Michigan Ave. and continue for five consecutive Monday evenings.

The importance of the

diabetic's conversation with his physician is stressed, along with the patient's responsibility in caring for himself in order to lead an active, normal life.

All diabetics regardless of age may attend with written approval from their physician. Children under 14 should be accompanied by a parent.

To register for the class, call the Wayne County Department of Health, 274-2800 or 721-0200, extension 6901.

## Awards presented to Cub Scouts

Cub Scout Pack 1739 held its March meeting at the Harrison Elementary School in Romulus, which sponsors the pack.

Cubmaster Dennis Kidder presented the following awards:

Kevin Cardwell, gold arrow and bear book; David McCallum, who will enter the Boy Scouts, an athletic pin; Frank Kuslowski, elected assistant denner; Doug Cox,

bear badge, Webelos' scarf and book and recruit badge.

Jerry Young was accepted into Cub Scouts and will be in Den Two. Greg Atherton and Ricky Cottogin were given their athletic pins.

Kyle Krueger, whose birthday was celebrated, received his one-year pin and bear book.

The pack plans to clean up a designated area on April 29, which will be SOAR Day for Pack 1739.

## Faust proposes law on women's alimony payments

Women will soon have the right to deduct alimony payments from their state income tax if legislation introduced here today by State Sen. William Faust (D-Westland) is approved.

"I have also proposed an amendment to the State Income Tax Act which would eliminate a clearly discriminatory provision enabling men only to deduct alimony payments," said Faust.

"The courts have found that several women are capable of

supporting their husbands and ordered them to pay alimony. Well, I think it should work both ways: if a woman has the 'right' to pay alimony, she should also have the 'right' to use alimony as a deduction in computing her state income tax."

Faust said he sees little problem in getting the bill passed.

"I can't see anyone voting against legislation which would eliminate such an antiquated provision of the law," he said.

## Sitting for retarded taught again by 'Y'

The second in a series of Sitter Training for mentally retarded children, sponsored by the YWCA of Western Wayne County, will begin Thursday, April 13.

The first class of eight women "graduated" March 21 and calls for help began before they had finished.

The course is designed to help women wishing to baby sit with these children understand the moods and makeup of the mentally retarded, to develop kits with games and puzzles to keep them occupied, first aid and other techniques necessary to

sitting with the retarded youngster.

The need for patient, kind women is great. The response even before the end of the original class shows the need for many more to help parents take a break from the never ending care of these children.

The course is taught by Miss Mary Lou Durbin of the Garden City school system, herself a former special education teacher. However, all women interested in taking the course or finding out more about it are asked to call Miss Grey, LO 1-4110.

## Group for retarded has annual card party

The Down River Association for Retarded Children will hold its annual card party on Tuesday, at 7:30 p.m. April 10, at the Knights of Columbus Hall, 2428 Biddle Ave., Wyandotte. Donation will be \$1.50.

Chairman of the card party is Mrs. Joyce Tola. Mrs. Charlotte Russell is in charge of table decorations and Mrs. Rose Bell and Mrs. Mary Jarvis are in charge of the kitchen. Mrs. Dorothy Spenglio and Mrs. Betty Whale are ticket chairmen. There will be prizes and refreshments.

The Down River Association

for Retarded Children will hold its monthly meeting on Monday, April 10, at Garfield School. On the agenda at this meeting will be nominations of officers.

Present officers are President, Fred Miller, First Vice-President, Mitchel Tola; second Vice-President, Rinaldo Campagna; Treasurer, Cliff LaMora; Recording Secretary, Mabel Volker; Corresponding Secretary, Mary Jarvis.

New officers will be elected in the May meeting. The guest speaker at the April meeting is William C. Williams.

A SUCCESSFUL HUNT—Two unidentified youngsters reach for one of the many Easter eggs hidden in various areas of the Romulus Senior High School Football Field. The popular Easter Egg Hunt held last Saturday was sponsored and directed by the Romulus Recreation Department.

## Lisa Young enters state teenager pageant

Miss Lisa Suzanne Young, 14, a sophomore at North Junior High School in Belleville, has entered the state finals of the National Teen Ager pageant.

The Michigan Teen Ager Pageant will be held on April 22 at the Detroit-Hilton Hotel.

Lisa is the daughter of Mr. and Mrs. Guy Young of 45225 Jeanette Dr., Belleville.

She is a member of the North Junior High School Solo Club, "Coiralliers" and the Gymnastic Club. She is an active member of the South Junior High School Drama Club.

Lisa has done volunteer work for the Van Buren Convalescent Home (feeding patients, playing games and general entertaining). She

worked six weeks with the Van Buren Township Summer Recreation Program under the direction of James Lightfoot.

She is a graduate of the Wendy Ward School of Modeling and a former baton student of the Penny Pearson School. She has been the coach for the junior varsity cheerleaders and Belleville Little League Cougars. Recently Lisa was in charge of make-up for North Junior High School's production of "It Happens Every Summer."

She would like to teach handicapped children or be an airline hostess. Her hobbies are drama, singing, gymnastics and baseball. She has lived in Belleville all of her life.

LISA SUZANNA YOUNG

The winners of each state final will compete in the National Finals in Atlanta, Ga. on Aug. 23-26.

## Telephone plan saves \$5 for moving family

Michigan Bell has introduced the latest in "do-it-yourself" plans which could save you \$5 if you are moving.

The plan is called "Snip and Take," according to Eugene L. Greek, local Michigan Bell manager. It's designed, he said, not only to save the customer money at moving time but to help the company reduce costs as well.

To take advantage of "Snip

and Take," a customer merely has to advise the nearest Michigan Bell office in advance of the day of the move and the day new service should be installed, he said.

"Then on moving day, the customer simply cuts the cord next to the small connecting box on the wall with a knife or pair of scissors and takes the phone with him," explained Greek.

He stressed there is

absolutely no danger of any electrical shock when cutting the cord.

"The set is given to the installer when he arrived to connect service at the customer's new residence. In return, the customer is given a receipt for the set, and his account is credited for \$5."

Should the move be out of the customer's local area—such as a move from Detroit to Traverse City—or out of Michigan Bell territory, the credit is still available, he said.

Though more than one set may be returned, the maximum credit is \$5 per move, he noted.

There are some sets which are not included, such as standard dial and Touch-Tone wall phones. However, Trimline wall set receivers can be snipped next to the wall mounting and portable phones can be unplugged and moved.

Prior to the plan's statewide introduction, he said, it was tried successfully in several northeastern Detroit suburbs.

He emphasized that customers should call a Bell office if they have questions before any phones are snipped.

## Bethany Church to present choir

The Bethany Baptist Church, located at 810 E. Huron River Dr., Belleville, will present The Choralaires, musical ambassadors from the Grand Rapids School of the Bible and Music at 11 a.m. Sunday, April 16, Pastor John Losen, announced.

The group is under the direction of Robert Parks, a graduate of the school.

A varied program of anthems, hymn arrangements and gospel songs will be presented by the ensemble and ladies' trio. An interesting aspect of the

group's presentation is that the members sing an entire portion of the program without direction.

The unique character and purpose of the Grand Rapids School of the Bible and Music is to offer young people a technical training in the Bible. Thus, the descriptive by-line of the school, "An Institute of Bible Technology," portrays the curriculum which is meeting a growing demand in our world of specialization.

The public is cordially invited to attend.

## Farm bureau to support tax reform petition drive

Elton R. Smith, president of the Michigan Farm Bureau, has announced that the state's largest farm organizer would support the recently announced Michigan Education Association petition drive.

"Our members have consistently supported total tax reform for some years. However, we are convinced that meaningful and lasting reform can come only through a basic Constitutional change," Smith said.

Definite organizational direction was set last November when Farm Bureau's voting delegate

adopted a tax policy calling for an amendment to the Michigan Constitution.

The resolution also stated the bureau would join with others, who also recognize the seriousness and inequity of the property tax burden, in support of a petition drive to place upon the ballot an amendment to limit total property taxes and to eliminate as nearly as possible property tax as a means of financing our schools.

"It is unfortunate that the legislature has been unable to reach an agreement on an amendment to be placed on the ballot," Smith said.

However, it's essential that the people be permitted an opportunity to make this basic decision by their vote in the November, 1972 election."

Farm Bureau distributed both Gov. Milliken's petition and the Democratic party petition. However, these petitions were withdrawn due to a Supreme Court decision. Smith said, "Farm Bureau would, therefore, join the coalition of groups supporting the MEA petitions."

He said that both petitions—one containing property tax reform and the other permitting a graduated income tax—would be circulated.

# Huron Jaycees launch membership campaign

The Huron Township Jaycees, in an effort to expand services to the several areas in Huron Township, have launched an all-out membership campaign for the period covering March 25 through April 25.

President Andrew Nagy points out that eligible young men between the ages of 18 to 35 are invited to join and contribute new ideas toward

the betterment of the area. It is important to remember that any interested persons need not feel membership requires massive blocks of time, but that a Jaycee can be effective with whatever time is available.

Suggested areas of involvement could be in recreation, health, citizen recognition, political awareness, ecology or just about any field of endeavor

one could think of. Current projects include crime prevention, in the form "Theftguard," or the identification of personal items against theft. An Easter egg hunt for area children also is under way.

Interested persons may contact the Huron Jaycees either through Box 88, New Boston, or by calling Nagy at 753-9179.

# Ford gives support to Nixon busing stand

Congressman William D. Ford (D-15th Dist.) has given qualified support to the education and anti-busing proposals outlined by President Nixon in his recent television address and his follow-up message to Congress.

"I am gratified that the President is following the course already set by myself and most of my Michigan colleagues in the Congress," Ford said, "but I am disappointed that he is not willing to go far enough and not willing to make the all-out commitment that is so desperately needed."

"Like us, he apparently is opposed to forced busing for racial purposes, he questions the wisdom or effectiveness of a Constitutional amendment to block such busing, and he seems to favor the allocation of more Federal aid for schools serving underprivileged children."

"The President's busing moratorium proposal is basically the plan that the House and Senate have already approved, which would delay any court-ordered busing until all appeal rights have been exhausted. I was a co-sponsor of the House version, known as the Broomfield Amendment. We are now waiting for the outcome of a House-Senate Conference before sending it to the President for final approval.

"Once it is approved, I think we can stop worrying about forced, cross-district busing. The Supreme Court has never sanctioned it in the past, and I am confident that it will not sanction it in the future."

Congressman Ford commented that the President's proposal to "direct" \$2.5 billion to inner-city schools was a reversal of Nixon's stand during the past three years.

"I am pleased to see that he is now accepting the concepts put into law by the Elementary and Secondary Education Act of 1965, particularly Title I," Ford said.

"I am pleased to see that he is now accepting the concepts put into law by the Elementary and Secondary Education Act of 1965, particularly Title I," Ford said. "This title was designed to put money into central-city districts serving underprivileged children."

"As a member of the Education and Labor Committee, I was one of the principal architects of that Act, and I have always been convinced that it offered the solution to many of our educational problems."

"Since President Nixon took office over three years ago, he has consistently opposed the increased appropriations made by Congress to implement Title I programs. On two occasions, he vetoed Congressional appropriations which were designed to improve schools serving disadvantaged children."

"As a result, money for Title I was sharply reduced, and today we are reaping the consequences. If the programs approved by Congress had been properly funded, the inner-city schools might not have reached their present state, and we might not have the pressure we now face for cross-district busing."

"The President has proposed no new programs, and no new funding. He simply wants to take more money away from existing programs to aid the inner-city schools."

"I cannot accept this approach. While the big city

schools are admittedly in a crisis situation, the suburban school districts are also in trouble. They are faced with half-day sessions, curtailed curriculum and over-crowded classrooms. The overburdened taxpayers are refusing to approve new bond issues and millage rates.

"The answer to our problems does not lie in taking money from the suburbs to give to inner-city schools; nor does it lie in cross-district busing. The answer lies in sufficient federal aid for all schools, so that every American child can have a quality education in his own neighborhood school."

Congressman Ford, ranking member of the General Education Subcommittee which will process President

# Trooper speaks on drugs

State Trooper Allen Eichenberg of the Ypsilanti State Police Post recently gave a presentation on drug problems, abuse and law enforcement to the eighth and ninth grade English classes at South Junior High School in Belleville.

The students were interested in hearing speakers and then in writing newspaper articles about the speaker's presentation. Since this was most successful and since Trooper Eichenberg proved to be an exceptional speaker, the students are planning to have more speakers.

After Easter vacation, they plan to have several speakers present the American Indian problems to the class. This will be done over a three-week time, in which there will be specific projects and writing assignments done.

# CITY OF BELLEVILLE NOTICE OF REGISTRATION

Notice is hereby given that in compliance with the Michigan Election Law, the City Clerk will be at his office, 6 Main Street, Belleville, Michigan, during the regular working days between the hours of 9:00 o'clock A.M. and 4:30 o'clock P.M., Eastern Standard Time, until Friday, the 14th day of April, 1972, and on Friday, the 14th day of April, 1972, he will be at his office between the hours of 8:00 o'clock A.M. and 8:00 o'clock P.M., Eastern Standard Time, for the purposes of receiving for registration the names of any legal voters in said City, not already registered.

A special City election has been called for May 16, 1972, for the purpose of submitting the electors the question of adopting four amendments to the Charter of the City of Belleville.

# Romulus nursery okayed

The Romulus Planning Commission has granted approval for the construction of a children's day nursery in the City of Romulus.

The petition to build the nursery was filed by the Pre-School Service Corp. of 15373 Farmington Rd., Livonia. It was presented to the commission by Max Durbin and Claude Carpenter.

The commission's approval was given with the provision that the firm close the Eureka Road exit at the proposed structure and use Meadow Avenue for the entrance and exit, due to the traffic on Eureka Road.

George Peek, planning consultant for the commission reported the revised plans submitted by the firm are in compliance with the city's zoning ordinance and he recommended approval.

# Romulus to okay new code

The Romulus City Council is expected to approve this week a new all-embracing Building Code Ordinance.

The 250-page document detailing the rules and regulations on building in the City of Romulus was prepared by Clayton W. Meldrum, director and chief inspector of the Romulus Building Department.

The new code covers all phases of building, fire regulations and rules and regulation of the city's Department of Public Works, but not electrical, heating, plumbing or refrigeration, which are covered by other ordinances.

The city charter, adopted in May, 1970, required the city council to adopt a building code of its own.

The city has been using the provisions of the Building Officials Code of America (BOCA).

# Modular inspection code eyed

The Belleville City Council has taken under study a request to establish guidelines for the inspection of modular-type residences.

The request was presented to the council by William Harris, city plumbing and heating inspector.

Harris told the council it was impossible to inspect some features of the new homes, including electrical wiring and heating, because the homes are already built when they are put on sites in the city.

He suggested the city set requirements that each modular unit get a building permit plus a certificate showing the unit was inspected at the factory to insure the modular homes meet city building code rules and regulations.

## Metro authority honors map maker

This week Edward Savich, staff artist for the Huron-Clinton Metropolitan Authority, begins his 31st year of service at the five-county regional park agency serving the citizens of Livingston, Macomb, Oakland, Washtenaw and Wayne counties.

He is the recipient of a resolution from the HCMA Board of Commissioners honoring him for his "outstanding loyalty, devotion and professional expertise in art and cartography for over 30 years of service to the authority," which was recently presented

to him by HCMA Commissioners Kurt R. Keydel, chairman, of Detroit; and William E. Kreger, who represents Wayne County and resides in Wyandotte.

The first employee to complete 30 years of service, Savich joined the authority on March 26, 1942. Then World War II was in progress and after a stint of two years with the Army Engineers in Europe, he returned to the authority and began turning out graphics for a new "metropolitan park" system to provide much needed recreational facilities for the five-county district.

While the staff was concerned with land acquisition, planning and future parks, he was busy drafting presentation plans for Metropolitan Beach near Mt. Clemens and Kensington Metropolitan Park near Milford, which opened in 1948 and 1950, respectively. The system has grown to nine parks used by over 102 million visitors since 1948. Lower Huron Metropolitan Park near Belleville and Stony Creek Metropolitan Park near Utica are two other parks in the system.

Annually, thousands of residents use a Metropark

Guide map to learn more about HCMA parks or to help guide them to the roads and freeways in the expanding Detroit Metropolitan Area. The authority received thousands of requests for the new 1972-73 Metropark Guide (Green covered) in January, but few persons realized that this map is the work of Savich, whose official title is cartographer.

His talent extends beyond cartography since he is in charge of all graphic and art work for the authority, including a variety of visuals, site plans, canoe, nature

center and park brochures, the biennial report, films, emblems and park signs.

Born and raised in Detroit, he was graduated from Cass Technical High School and attended Meininger Art School in Detroit. With spring just ahead, Savich is busier than ever getting out new brochures and other items ready for the park visitors anxious to get outdoors.

Savich resides in Dearborn Heights.

## Gilead church takes students to Washington

Last night (Tuesday) Romulus residents Fouad Berry and Joe Pigeon loaded 64 junior high school students and 22 adult counselors on Greyhound buses for a three-day trip to Washington D.C., sponsored by the Gilead Baptist Church of Allen Park in Taylor.

Among the activities planned will be tours of the Bureau of Engraving, the White House, Smithsonian

Institute, Arlington Cemetery, Tomb of the Unknown Soldier, U.S. Archives, Lincoln Memorial and the Washington Monument with a side trip to Gettysburg, Pa.

Planners hope for an audience with Sen. Robert Griffin that will net them a flag for the new church, to be built on a 20-acre site at Telegraph and Northline in Taylor.

## Pack 1071 has Pinewood Derby

Cub Scout Pack 1071, sponsored by the First United Methodist Church of Belleville, held its annual Pinewood Derby in the Fellowship Hall on March 27.

Winners of the race were: Leslie Ferguson, first place; Randy Hubler, second place, and Mike Trevorrow, third place.

Winners of Best Design were: Leslie Ferguson, first place; Mike Trevorrow, second place; and Ron Frederick, third place.

All the other boys who entered the race and received ribbons as mementos were: Randy Sykes, Paul

Dougherty, Larry Smreka, Mark Mercer, Ken McCombie, John Parker, Jeff Smreka, Leonard Bourdeau, Andy Dodge and Ricky Sykes.

Cubmaster Richard Trevorrow turned out his duties to the new Cubmaster Leonard Bourdeau. Bob Smreka is the new treasurer and assistant Webelo leader.

A gift was presented to Mrs. Sharon Matthews for her service as a Den Mother for Den 10. Mrs. Leonard Bourdeau is the new Den Mother. Ken McCombie received his Bear badge.

April 15 is the date set for the club's next paper drive. Anyone having papers to be picked up but will not be home on this date may leave them at 162 S. Edgemont, Belleville.

## An Easter basket? What is it!

This child's wonderment at the sight of her first Easter basket was captured by Associated Newspapers photographer Lothar Konietzko at last week's Easter Pre-school party held at the Romulus Public Library. In the

following pictures 18-month-old Dawn Blaskay, daughter of Mr. and Mrs. Gary Blaskay of 34646 Julie St., Romulus, tries to decide just what to do with what's being offered to her.

I wonder what it is!

Well, Should I Take It?

I Guess I'll Taste It.

It Sure Did Taste Good!

## Drug education added to Van Buren schooling

The Van Buren Public School system is preparing to initiate a program involving drug education into the curriculum beginning next fall.

At its March meeting, the Van Buren Curriculum Council reviewed and approved a curriculum guide for use in grades, K-12.

The curriculum guide was presented by Paul Druker, a teacher at the North Junior High School in Belleville. Druker served as chairman of the study committee.

Phase I, which will be taught in the early elementary grades, places special emphasis on the "total approach to total living..." the inner-dependence of social, physical and emotional well-being. The positive effects and proper use of medicines is stressed.

Phase II, designed to be taught in the later elementary grades, again involves an appreciation of medicines and drugs and emphasizes their "relationship to total health." This portion also includes acquainting the students with the common forms of medication and how they are used.

Values and decision making become crucial at the Phase III junior high level. Peer group influence and pressure to experiment with the unknown often appear glamorous. A major teaching objective at this level is to provide the students with enough information to permit them to see the big picture of the drug scene, from which they can make sensible decisions based on fact.

The Phase IV high school portion recognizes that students at this level are aware of the drug scene and therefore focuses on the development of the proper attitudes toward and the legal implications associated with the illegal use of drugs.

It was noted that in preparation for implementing the program, 64 teachers and administrators in the district have been participating in a drug education workshop conducted by Dr. James Doyle in cooperation with Eastern Michigan University.

### S. McKay becomes Boy Scout

Scott McKay, son of Mr. and Mrs. Alvin McKay of 31943 Newcastle St., Romulus, was graduated into Boy Scouts at the last meeting of Pack 830 of the Hayti School area.

In addition to earning a three year perfect attendance and Arrow of Light award, Scott distinguished himself by earning all 15 Webelos' achievement awards, joining Robert Deneau and Mike Buggy in the accomplishment.

Dr. Doyle also is conducting a series of in-service meetings involving all of the school districts' teachers who will be involved in the program next year.

In the discussion that followed the presentation and approval of the guide, it was noted that many parents had expressed an interest in obtaining more information on

the subject. Therefore, the possibility of providing a lecture and discussion series designed for parents will be investigated for the coming school year.

**DRUG CURRICULUM GUIDE COMMITTEE-** The Van Buren Schools Curriculum Council has approved a drug education curriculum guide to be used in a program on drug education set to begin next fall. Committee members met recently on

the program. They are (from left) Raymond Kohr, director of curriculum and instruction for Van Buren Public School District; Mrs. Doris J. Rose, school board member; and Paul Druker, chairman of the Drug Curriculum Guide Committee.

## Manager asks customers to use new telephone books

"Please look in the book first" says Michigan Bell as it begins distribution of its 1972 phone directories in the West and Downriver area Friday, April 7.

Eugene L. Greek, local Michigan Bell manager, said the West and Downriver suburban books contain some 136,000 new numbers and other changes in the white pages listings since last year's publication.

All area numbers are up to date as of Jan. 18, he said. "For these reasons," Greek said, "we urge telephone users to use the new directory for looking up numbers instead of dialing our 'New Number Information' operators."

That service, he said, is for those customers who wish to reach telephones installed with new numbers since Jan. 18. In addition, he said, that service also is for those located where no directory is available, where one simply cannot find a certain listing in the book and for the physically handicapped.

Bringing this multi-million book load, the largest of its kind in the country, will be nearly 200 railroad box cars and piggy-backs and 15 trailers. Now arriving daily, these loads will continue until April 10.

If any customer wants an extra directory for a telephone location in his home or business which hasn't had one, Greek said that customer may

call Michigan Bell's local business office and an extra copy will be sent to him.

### District 640 Rotary holds conference

The annual conference of Rotary District 640, which embraces Belleville and surrounding areas, will be held May 26-27 at Adrian College in Adrian.

The program theme is "Rotary in Action." It will feature workshops in club, community, vocational and international service.

Local Rotarians are making plans to attend the conference.
